Program Overview

CPE is an educational program designed to assist and empower the way the pharmacy staff can improve their skills by keeping themselves updated with the latest and most important information about the pharmacy industry. The primary aim of this program is to help pharmacy staff to work with the family and to care with the patients.

This program is an online initiative which is conducted in partnership with the Indian Pharmaceutical Association. Through CPE program, we aim to reach the pharmacy community as new platform on specialized content. The initiative was started with an aim to provide the pharmacy staff with online training modules in collaboration with the partner events.

ANNUAL REPORT 2020-21

Vishnu Institute of Pharmaceutical Education & Research (VIPER) was established under the aegis of Sri Vishnu Educational Society (SVES) in the year 2007 inaugurated by His Excellency Dr. A.P.J. Abdul Kalam, Former President of India on 16th August 2007. The institute is affiliated to Jawaharlal Nehru Technological University, Hyderabad Telangana, and approved by the AICTE and PCI, New Delhi. With our strong national and international connections, the institute has earned a reputation as a premier institute offering B.Pharmacy (100) and M.Pharmacy in Pharmaceutics (15), Pharmaceutical Analysis & Quality Assurance (15) and new branch introduced Pharmacology (12) intake. It is the only pharmaceutical educational institute in Telangana that has been accredited by both NBA and NAAC. As per the guidelines of innovation cell, MHRD, Government of INDIA, the institution has established an institution innovation council (IIC). Institution has been recognized by the DSIR under SIRO. Through its partnership with Life Science Skill Sector Development Council (LSSSDC), the Institute has strong industrial relations.

The institute has well-equipped laboratories catering to the various interests of its researchers. Facilities include the Centre for Molecular and Cancer Research (CMCR), the Cognitive Science Laboratory, nutraceutical development facilities, and the Centre for Nanotechnology. Research grants from a variety of funding agencies demonstrate the faculty's strong research potential. Additionally, the institution engaged in various industrial consulting projects and research results were published in reputed journals and patented. The institute is well connected with WI-FI round the clock for the benefit of the students. We have a well-equipped air-conditioned seminar room with the latest technology to host national and international conferences, seminars, etc. Sports facilities and a spacious canteen are available at the college. Students and faculty have access to hygienically prepared food. Transportation and accommodation are provided for both students and faculty. As a health care institution, the institute is dedicated to providing quality education and empowering students to meet society's needs.

WORKSHOP ON IMMERSIVE INSTRUCTIONAL TECHNOLOGY (IIT) – LEVEL 1 VEDIC

VISION

To allow faculty members to be aware of various productivity tools and Learning Management Systems while identifying free, open source, app based and cloud base resources to enable them to use technology in a ubiquitous manner.

ABOUT THE PROGRAM

The IIT – Level 1 workshop is an entirely activity based workshop which will help faculty in finding free to use and app based tools and to use these tools to develop and deploy cohesive sessions, which include, practice on asset creation, facilitating discussion and collaboration, guiding student inquiry and assessment creation. The program also helps faculty write

TARGET PARTICIPANTS

All faculty are encouraged to attend the workshop. This workshop is envisaged to benefit faculty who have especially attended the TTT program. Participation limited to 30 faculty members.

OBJECTIVES

At the end of this session faculty will be able to

1. Identify various open source and app based productivity and LMS tools to use in their own classes.
2. Describe the challenges and tricks to working in a hybrid class setup.
3. Illustrate the roles of these tools in all learning activities they plan to offer.
4. Write a scholarly topic with correct citations and references.
5. Design a session on LMS with assets, discussion prompts and assessments.

SCHEDULE

- **Day 1 - Morning**
 - ✓ Intro and Hybrid Techniques
- **Lunch**
- **Day 1 - Afternoon**
 - ✓ Productivity Tools - Writing

- **Day 2 - Morning**
 - ✓ Productivity Tools – Presentations
 - ✓ Productivity Tools Calculations
- **Lunch**
- **Day 2 - Afternoon**
 - ✓ Productivity Tools – Scholarly Writing

- **Day 3 - Morning**
 - ✓ LMS Assets
 - ✓ LMS Collaboration
 - ✓ LMS Assessments
- **Lunch**
- **Day 3 - Afternoon**
 - ✓ Hybrid Session Design
 - ✓ Hybrid Assessment Design

- **Day 4 - Morning**
 - ✓ Session and Assessment Implementation
- **Lunch**
- **Day 4 - Afternoon**
 - ✓ Performance Assessments and Reflections

PARTICIPANT MATERIALS

Participants will each be provided with

1. A desktop computer for use at the session.
2. A notepad

Participants are required to bring

1. A thumb drive to save their 3 days of work for future reference.

FACILITATOR

Dr. Balaguruprasad Narayanan has a Ph.D. in Education with an emphasis on Curriculum Design and Instructional Technology. Indiana State University. He has been in the educational field since 2005. While performing a variety of roles in Indiana State University, including Instructional Designer, Training module developer, faculty trainer and lecturer, he has also taught classes on instructional design, assessment design, educational research and media technology, while working with university level teams on accreditation and hiring. He is also involved with the MHRD through

IMMERSIVE INSTRUCTIONAL TECHNOLOGY was conducted from 10-03-2020 to 12-03-2020 with Association with Vishnu Educational Development Innovation Centre (VEDIC)..It was conducted by VEDIC faculty Balaguruprasadnarayanan& Mrs Anupama. 8 faculty were attended.

2020

ABOUT VIPER

Vishnu Institute of Pharmaceutical Education & Research (VIPER) was established and inaugurated by His Excellency Dr. A.P.J. Abdul Kalam, Former President of India on 16th August 2007. It has got approval from AICTE, PCI and JNTU, Hyderabad. It is the only college in Both Telangana and Andhra Pradesh with Both NAAC & NBA Accreditation. VIPER has received various awards to name few: Educational Excellence Award 2020, Got All India Special Appreciation IPA local Branch Award 2020, NIRF ranking 2018, Secured Platinum rank by AICTE-CII Survey 2016, 2017, 2018, 2019 & 2020 for Industrial Linked Pharmaceutical Institute, Vishnu Institute of Pharmaceutical Education and Research received First place as EMERGING INSTITUTION in Nationwide survey of CII-AICTE 2017 with platinum category, etc.

VIPER has various Organizational reorganization like Scientific & Industrial research organization (SIRO) under DSIR, Life Sciences Sector Skill Development Council training (Govt. of India), Suraksha Independent Ethics committee and MOU with Industries and foreign universities like Dr Reddy's Laboratories, Granules India Ltd. and VU Univ., North Eastern university, etc.

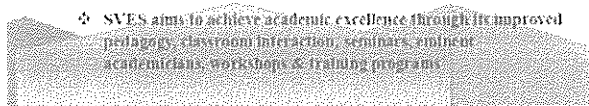

VIPER had well established laboratories like Centre for Molecular Cancer Research, Cognitive Science Initiative, Assistive Technology lab (ATL), Soft Skill Training and Industry Institute Interaction Cell. It also has many ongoing has research grants from DST, DBT, ICMR & AICTE.

VIPER Offers Bachelors & Masters in Pharmacy with Specializations of Pharmaceutics, Pharmaceutical Analysis and Pharmacology.

About our Society

- ❖ Padma Shri & Padma Bhushan awardee Shri Dr. Bhopalkrishna Vissam Raju, was a man of high aim and higher achievements started high quality education in the fields of pharmacy, Medicine and Engineering through the society SHRI VISHNU EDUCATIONAL SOCIETY (SVES) in the states of Telangana & Andhra Pradesh.

- ❖ SVES aims to achieve academic excellence through its improved pedagogy, classroom interaction, seminars, eminent academicians, workshops & training programs

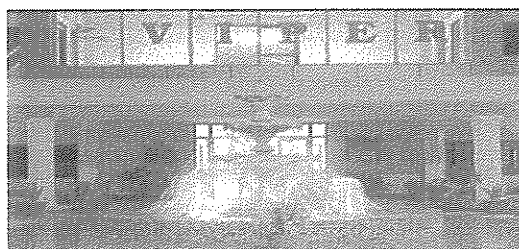

3D printing technology in Dosage Form Design and Drug Delivery
One-day Training Programme

Vishnu Institute of Pharmaceutical Education And Research

In Association with

Sri Vishnu Educational Society

Vishnu Institute of Pharmaceutical Education and Research, Narsapur in association with AICTE, New Delhi under the GOC scheme has organized a symposium on “3D printing Technology in Dosage Form Design and Drug delivery” on 9th and 10th March 2020.

The conference was inaugurated by Dr.SushrutaKoppula, Associate Professor, Konkuk University, Seoul, South Korea, Mrs.AhmediBanu, Clinical Pharmacist, Makkah, Kingdom of Saudi Arabia, Dr. K. Ramadas, Chairman, Vikas College of Pharmaceutical Sciences, Suryapet, Telengana, Dr. Kumar V.S. Nemmani, Director, Shri Vishnu College of Pharmacy, Bheemavaram, Andhra Pradesh, Mr.RavichandranRajagopalan, Vice-chairman,

Sri Vishnu Educational Society and Dr. A. Ramesh, Principal, Vishnu Institute of Pharmaceutical Education and Research, Narsapur.

After the inauguration, keynote forum started and the speakers gave their valuable presentations. 30 technical sessions were held with speakers coming from all over The conference ended with valedictory function in presence of chief guest Dr. T. Jayapal Reddy, Chairman, St. Peter's Institute of Pharmaceutical Sciences, Hanamkonda, and Guest of honors Dr. G. Krishna Mohan, Professor, JNTUH, Dr. Shobha Rani, Associate Professor, JNTUH, Dr. Ramesh Adepu, Principal, Vikas Institute of Pharmaceutical Sciences, Nalgonda and Dr. A. Ramesh, Principal, VIPER.

This convention was a grand success because of the collective effort of the Vishnu Institute of Pharmaceutical Education and Research. The convention ended with lots of joy and happiness expressed by highly satisfied delegates

INNOVATION IN DRUG DEVELOPMENT AND CLINICAL PHARMACY

Organised by

2nd International Conference on
Drug Development & Clinical Pharmacy
*Challenges & opportunities in
transforming the Pharma Industry*

Powered by

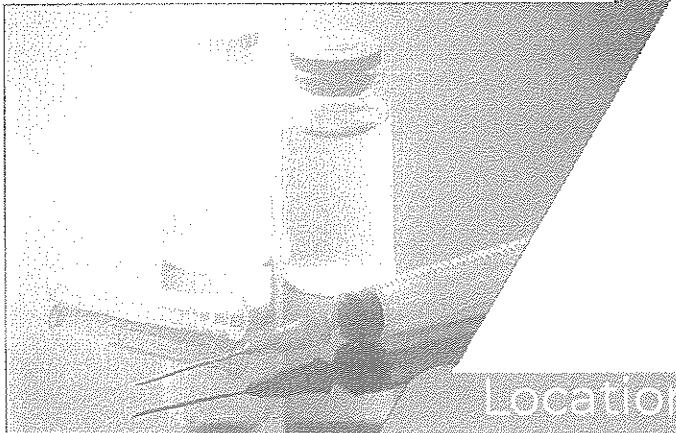

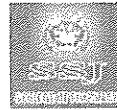

February 17 & 18
2020

Supported by

Knowledge Partners

Location: Hyderabad, India

Invitation

We are pleased to announce 2nd International Conference on Innovation in drug development and clinical pharmacy at Hyderabad, India on February 17 & 18, 2020 organized by Vishnu Institute of Pharmaceutical Education and Research(VIPER), Narsapur, Sangareddy, Telangana supported by IPA(Indian Pharmaceutical Association) and AICTE(All India Council for Technical Education), and powered by Endling Conferences, Hyderabad. The event brings scientists and researchers from academia and industry together to share the newest research ideas and findings in the field of Pharma.

Delivering accurate healthcare Innovation worldwide is a demanding and complex task. The pharmaceutical industry is facing unprecedented challenges as the cost of developing new drugs are continuously increasing fuelled in large part by high attrition rates in clinical development. The path of a new drug development from the idea to product involve drug discovery and drug development phases. Scientific and technological advances are poised to change thinking about practical, immediate and near term applications in the field of drug discovery and development and will revolutionize the availability of health care products worldwide. The mission of pharmaceutical research companies is to discover and develop new drugs with safe and effective treatment to patients. The process of discovering and developing a new molecular entity on average requires over a decade time. Therefore, it is absolutely necessary to develop new innovative drugs with the help of new technologies like molecular and cell biology, gene technology, or immunology as well as combinatorial chemistry and robot supported substance screening. This particular conference programme will consist of full-papers, poster sessions and as well as invited plenary talks on Pharma safety research. We cordially invite you to attend the conference and submit your abstracts for presentations, posters etc.

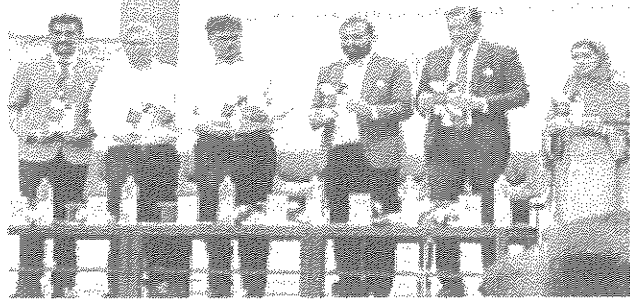

Looking forward for your presence

విష్ణు ఫార్మసీ కళాశాలలో 'డీసీసీపీ' సదస్సు ప్రారంభం

నర్సాపూర్, ఫిబ్రవరి 17: నర్సాపూర్ సమీపంలోని విష్ణు ఫార్మసీ కళాశాలలో 'డ్రగ్ డెవలప్ మెంట్ అండ్ క్లినికల్ ఫార్మసీ(డీసీసీపీ)' అనే ఆంగంపై దోషువారం సదస్సును కళాశాల ప్రెస్ వైర్లన్ రవిచంద్రన్ ప్రారంభించారు. రెండు రోజుల పాటు జరిగే ఈ సదస్సుకు మొదటి రోజు దక్షిణకొలయా వర్సిటీకి చెందిన ప్రొఫెసర్ కాప్టం శ్రీకాంత్, విరాస్ ఇనిస్టిట్యూట్ ఆఫ్ ఫార్మాస్యూటికల్ సైన్స్ వైర్లన్ రామిరామ్, క్లినికల్ ఫార్మాసిస్టుకు చెందిన ప్రతినిధి ఆహ్వానించారు.

సావనీర్ ను ఆవిష్కరిస్తున్న దృశ్యం

INNOVATION IN DRUG DEVELOPMENT AND CLINICAL PHARMACY was conducted from 17-02-2020 to 18-02-2020. It is a two day workshop. In this development programme faculty were taught about current innovation in drug development and in clinical Pharmacy.

33 faculties were attended.

Dear Faculty,
 There are two workshops-one in VEDIC on 19th of February,2020 on "Writing Effective Research Proposals"(Faculty to complete a literature survey and come prepared with a research idea that they intend to submit as a research proposal to a funding agency) and "Design of Experiments" Workshop (BVRITN) Interested members please confirm your presence by today evening without fail Both are one day workshops

Thank you
 D Santhosha

సమావేశంలో మాట్లాడుతున్న కృష్ణన్

ఫార్మసీతో విద్యార్థులకు మంచి భవిష్యత్తు

• స్పెన్కో-బయోటిక్ సినియర్ ప్రొజెక్టు మేనేజర్ కృష్ణన్

సచిత్రలంగాం - సర్కాభూర్

ఫార్మసీ చదివే విద్యార్థులకు మంచి భవిష్యత్ ఉంటుందని స్పెన్కో-బయోటిక్ సినియర్ ప్రొజెక్టు మేనేజర్ ఎన్ కృష్ణన్ అన్నారు. పట్టణ సమీపంలోని విష్ణు ఫార్మసీ కళాశాలలో మోడ్రన్ అనాలిటికల్ టూల్స్ అప్లికేషన్ అనే అంశంపై స్పెన్కో-బయోటిక్ ఫార్మ కంపెనీ అభ్యర్థులలో మంగళవారం వర్క్‌షాప్ నిర్వహించారు. ఈ సందర్భంగా కృష్ణన్ మాట్లాడారు. ఫార్మసీ చదివే విద్యార్థులు ఫార్మాక్యూటికల్ రీసెర్చ్లో ఉపయోగించడానికి అందుబాటులో ఉన్న మోడ్రన్ అనాలిటికల్ టెక్నిక్స్పై విద్యార్థులకు శిక్షణ అభ్యుదయం జరుగుతుందని అన్నారు. ఈ శిక్షణకు విష్ణు డైఫరెన్ కళాశాల అధ్యాపకులు విద్యార్థులు హాజరయ్యారు. ఈ కార్యక్రమంలో డైరెక్ట్ ప్రొన్సిపాల్ ఎ రమేష్, హెచ్.ఎ.ఎ. పీవీఎస్ రాజేంద్రప్రసాద్, కె పవిత్ర పాల్గొన్నారు.

Vishnu Institute of Pharmaceutical Education & Research (VIPER) has now completed 12 years of existence and commitment to excellence in Pharmacy Education. VIPER is accredited by NBA, NAAC, recognised by DSIR under SIRO and only Pharmacy College with both NAAC & NBA accreditation in the state of Telangana.

VIPER conducted a workshop on “Modern Analytical tools: Applications of RP-HPLC in Pharmaceutical Research” Life-science industries produce a great deal of complex, noisy and unstructured data, valuable insights are missed when only descriptive analytics tools are applied. This workshop explored the use of modern analytical tools like new *i*-Seriesplus Schematize HPLC & Nexis - GC in the Pharmaceutical Research.

Workshop was organised with the support of SINCO Biotech Pvt. Ltd. in association with Indian Pharmaceutical Association (IPA) Narsapur local branch & MHRD’s innovation cell, Govt of India. Mr S.Krishnan Senior Product Manager, Spinco Biotech was the chief guest for the event. This type of workshops brings out hidden talents and skills in students and faculty.

34 faculties were attended for this programme.

➤ E-Certificate will be provided after the programme for the participants.

“Software tool applications” training programme was conducted to Non-teaching staff of T.Rahul and Hemalatha by VEDIC faculty Lakshmi mam to give knowledge on various software tools, other two faculty from BVRIT Narsapur also joined . During the session the staff are assigned to their respective PC’S and made them to practise the tools along with the trainer so that they get practised and get better understanding. This programme was conducted on 17-09-2019.

Later the trainer insisted them that they should implement all the learned software tools in their coming academic.

Certificates were issued to the participants at the end of the programme.

Vishnu Institute of Pharmaceutical Education and Research

Narsapur, Medak District – 502 313, TS

ANNUAL REPORT 2019-20

Vishnu Institute of Pharmaceutical Education & Research (VIPER) was established under the aegis of Sri Vishnu Educational Society (SVES) in the year 2007 inaugurated by His Excellency Dr. A.P.J. Abdul Kalam, Former President of India on 16th August 2007. The institute is affiliated to Jawaharlal Nehru Technological University, Hyderabad Telangana, and approved by the AICTE and PCI, New Delhi. With our strong national and international connections, the institute has earned a reputation as a premier institute offering B.Pharmacy (100) and M.Pharmacy in Pharmaceutics (15) and Pharmaceutical Analysis & Quality Assurance (15) intake. It is the only pharmaceutical educational institute in Telangana that has been accredited by both NBA and NAAC. As per the guidelines of innovation cell, MHRD, Government of INDIA, the institution has established an institution innovation council (IIC). Institution has been recognized by the DSIR under SIRO. Through its partnership with Life Science Skill Sector Development Council (LSSSDC), the Institute has strong industrial relations.

The institute has well-equipped laboratories catering to the various interests of its researchers. Facilities include the Centre for Molecular and Cancer Research (CMCR), the Cognitive Science Laboratory, nutraceutical development facilities, and the Centre for Nanotechnology. Research grants from a variety of funding agencies demonstrate the faculty's strong research potential. Additionally, the institution engaged in various industrial consulting projects and research results were published in reputed journals and patented. The institute is well connected with WI-FI round the clock for the benefit of the students. We have a well-equipped air-conditioned seminar room with the latest technology to host national and international conferences, seminars, etc. Sports facilities and a spacious canteen are available at the college. Students and faculty have access to hygienically prepared food. Transportation and accommodation are provided for both students and faculty. As a health care institution, the institute is dedicated to providing quality education and empowering students to meet society's needs.

Details of the Conferences / Workshops / FDPs conducted: Teaching

Date	Title of the Programme
06-07-2020 to 11-07-2020	Current updates in Pharmaceutical Research and development
26-06-2020 to 26-06-2020	Voice Webinar
10-03-2020 to 12-03-2020	Immersive Instructional Technology
09-03-2020 to 10-03-2020	3D Printing Technology in Dosage form Design and Drug Delivery
17-02-2020 to 18-02-2020	Innovation in Drug development and clinical Pharmacy
19-02-2020 to 19-02-2020	Writing effective Research Proposal
02-12-2019 to 15-12-2019	Faculty Development Program on Application of CFD
13-11-2019 to 13-11-2019	Unconscious Bias Workshop
07-11-2019 to 07-11-2019	Research Methodologies
05-11-2019 to 05-11-2019	Modern Analytical tools applications of RP-HPLC in Pharmaceutical Research
21-10-2019 to 21-10-2019	Unconscious Bias Workshop
08-08-2019 to 08-08-2019	Unconscious Bias Workshop
17-09-2019 to 19-09-2019	Immersive Instructional Technology
29-06-2019 to 29-06-2019	Workshop on Medical Affairs
17-06-2019 to 20-06-2019	Immersive Instructional Technology
23-03-2020 to 23-03-2020	An overview on research writing a scientific Literature
24-02-2020 to 28-02-2020	Artificial Intelligence
09-10-2019 to 09-10-2019	Design, synthesis and biological evaluation of new molecules as potential anti-cancer agents
26-07-2019 to 26-07-2019	Challenges in Analysis of NDMA and NDEA in Sartan Drug substance and Drug Products

Details of the Conferences / Workshops / FDPs conducted: Non Teaching

Date	Title of the Programme
24-12-2020 to 24-12-2020	Handling of Analytical Instruments and Equipments
10-03-2020 to 10-03-2020	Library Facilities
02-01-2020 to 02-01-2020	Animal handling
02-12-2019 to 02-12-2019	Updation of Library facilities
17-09-2019 to 17-09-2019	Software Tool Application
21-06-2019 to 21-06-2019	Instrument handling

Details of the Seminars/ Conferences / Workshops / Refresher Courses / Orientation Courses/ FDP's attended:

Name of the Staff	Title of the Programme	Date of conduct
SVVNSM Lakshmi	Road map for Patent creation on SWAYAM	02-01-2020 to 01-04-2020
	Drug Discovery and Formulation Development	12-10-2020 to 27-10-2020
	Indian Knowledge Systems in Cotemporary Education and practices	05-09-2020 to 19-09-2020
	Coursera	5 courses
K.Ramanjaneyulu	Road map for Patent creation on SWAYAM	January to March 2020
	Skills for new educational Architecture	February 2020.
	Institution Innovation Council workshop	28-04- 2020 to 22-05-2020
	Coursera	5 courses
S.Srujana	OBE-NBA process	15-05-2020 to 19-05-2020
	Coursera	6 courses
Dr.K.Vanitha	OBE-NBA process	15-05-2020 to 19-05-2020
	Coursera	9 courses
Dr.B.Jahnavi	Innovations and Technology Developments in Pharmaceutical Sciences	10-06-2020 to 15-06-2020
	OBE-NBA process	15-05-2020 to 19-05-2020
	Drug discovery and development	22-06-2020 to 26-06-2020
	e-Faculty and Student Development Program	25-06-2020 to 30-06-2020
	The role of Pharmacist in Healthcare	29-06-2020 to 04-07-2020
	Innovation in Natural Product driven drug discovery and analytical chemistry	06-07-2020 to 11-07-2020
	Current updates in Pharmaceutical Research & Development	06-07-2020 to 11-07-2020
	Research updates in pharmaceutical formulation and analytical method developments	08-07-2020 to 13-07-2020
	Recent advances in Pharmacy Education	10-07-2020 to 15-07-2020
	Career Opportunities for Pharma Graduates	03-08-2020 to 07-08-2020
	Pharmaceutical Research & Career Development	27-07-2020 to 01-08-2020
Coursera	20 courses	
Nameera Jabeen	Foundation course in Educational Methodology	04 to 05-2020
	Coursera	12 courses

	Academic Writing on SWAYAM	Sep-20
C.Soujanya	Innovations and Technology Developments in Pharmaceutical Sciences	10-06-2020 to 15-06-2020
	Coursera	8 courses
M.Sandhya Rani	Recent updates in Pharmacy practice	25-06-2020 to 30-06-2020
	Innovations in Natural product driven drug discovery and analytical chemistry	06-07-2020 to 11-07-2020
	Recent advances in Pharmacy Education	10-06-2020 to 15-06-2020
	Coursera	5 courses
	Academic Writing on SWAYAM	September 2020
B.LakshmiSatya	Innovation and Technology Developments in Pharmaceutical Sciences	10-06-2020 to 15-06-2020
	Coursera	6 courses
S.Dinesh Mohan	Innovations in Natural product driven drug discovery and analytical chemistry	06-07-2020 to 07-09-2020
	Coursera	9 courses
Mrs.P.DurgaBhavani	Innovations in Natural product driven drug discovery and analytical chemistry	06-07-2020 to 11-07-2020
	An emerging Paradigm of Low power computational VLSI design	16-06-2020 to 20-6-2020
	Recent updates in Pharmacy Practice	25-06-2020 to 30-06-2020
	Strengthening academicians for Pharmaceutical care	22-06-2020 to 26-06-2020
	Innovations and technology development in Pharmaceutical sciences	10-06-2020 to 15-06-2020
	Coursera	5 courses
Mr.MD.Faheemuddin	Skill Development in Pharmacy Education	01-06-2020 to 05-06-2020
	Quantitative methods for research	10-06-2020 to 15-06-2020
	Innovations and technology development in Pharmaceutical sciences	10-06-2020 to 15-06-2020
	Nanotechnology in Healthcare	15-06-2020 to 20-06-2020
	The role of Pharmacist in healthcare	29-06-2020 to 04-07-2020
	e-Faculty and Student Development Programme	25-06-2020 to 30-06-2020
	Innovative Techniques in Pharmaceutical Sciences	05-05-2020 to 09-05-2020
	Coursera	13 courses
B.Sasikala	Innovations and technology development in Pharmaceutical sciences	10-06-2020 to 15-06-2020
	e-Faculty and Student Development Programme	25-06-2020 to 30-06-2020
	Coursera	10 courses

Dr.VVS.Rajendra Prasad	Workshop on Meditation	May 2020
	Research grants and funding-Aguide to acquiring vitamin M	May 2020
	Current updates in Pharmaceutical Research & Development	06-07-2020 to 11-07-2020
	Coursera	85 courses
Mrs.T.Sandhya	Python304.3	29-04-2020 to 04-05-2020
	LaTeX& Technical report writing	25-05-2020 to 30-05-2020
	Artificial Intelligence	22-05-2020 to 26-05-2020
	OBE-NBA Process	15-05-2020 to 19-05-2020
	Coursera	14 courses
	Innovations and technology Developments in Pharmaceutical Sciences	10-06-2020 to 15-06-2020
Ms.B.P.Alt	Drug discovery and development	22-06-2020 to 27-06-2020
	Innovations and technology Developments in Pharmaceutical Sciences	10-06-2020 to 15-06-2020
	e-Faculty development programme	08-07-2020 to 13-07-2021
	Moodle learning management system	15-06-2020 to 19-06-2020
	Current updates in Pharmaceutical Research & Development	06-07-2020 to 11-07-2020
Mr.K.SaiKrupa Raj	Current updates in Pharmaceutical Research & Development	06-07-2020 to 11-07-2020
	Coursera	7 courses
Mr.B.Kishore	Current updates in Pharmaceutical Research & Development	06-07-2020 to 11-07-2020
	Coursera	10 courses
Mrs.B.Alekya	Coursera	3 courses
Mr.Vijay Kumar	Coursera	6 courses
Mr.Narsimulu Yadav	Coursera	2 courses
Mr.P.Rajashekar	Coursera	1 courses
Mr.G.Suryam	Coursera	6 courses

Number of extension and outreach Programmes conducted by the institution:

Name of the activity	Organizing unit/ collaborating agency	Name of the scheme
Distribution of groceries and vegetables in adopted villages	UBA, VIPER	Support the people in COVID 19
Village development survey	UBA, VIPER	Village development plan
University Level Seminar on Role of NSS in Nation Building	NSS, JNTUH	Role of NSS in Nation Building
Elocution competition	Iskcon, Kukatpally	Kill cancer
Rashtriya Ektha Diwas	NSS, VIPER	Nation unity pledge

Sports & Cultural Achievements

Name of the Student	Sports/Cultural	Level	Position
K.Vishala	Cultural	State	First

Major activities and achievements of the Institutions:

Dr. S. Dinesh Mohan awarded Ph.D from JNTUH

Perennial Assistance Award was received from UBA, MHRD.

The college was awarded with Platinum Category 3rd time in CII-AICTE survey.

College was placed in the band of 76-100th Rank in NIRF 2018.

Institute is recognized by SIRO by DSIR, Govt. of India.

Institute was selected to establish Institute Innovation Council (IIC) under MHRD, Govt of India.

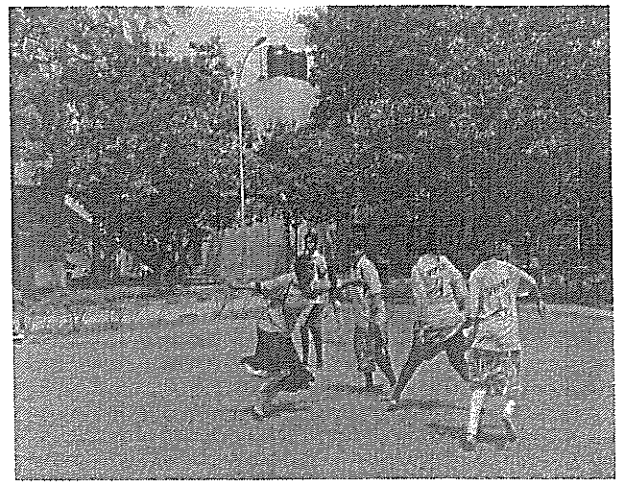

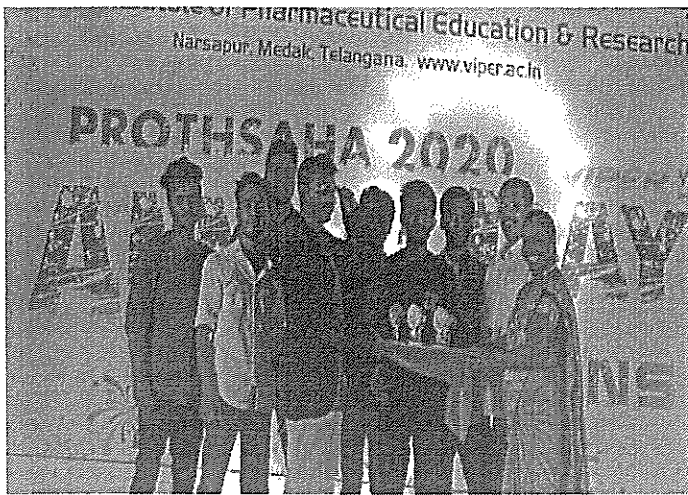

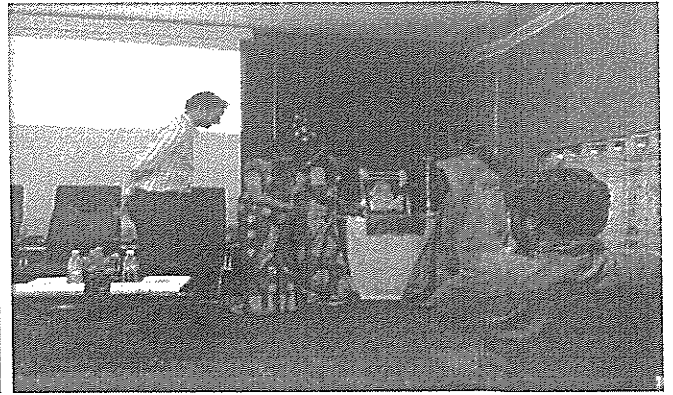

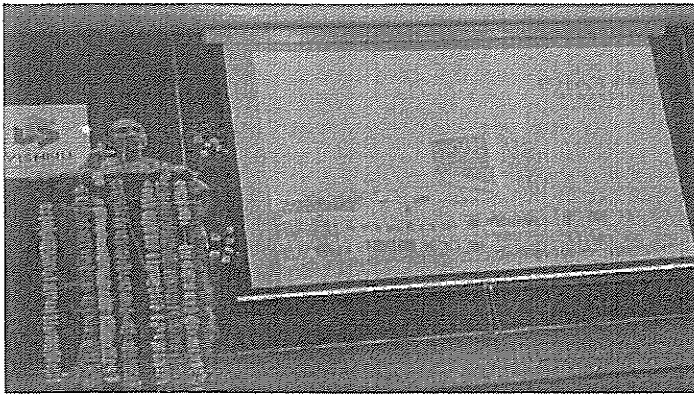

Dr.A.Ramesh, principal was awarded with Best Principal Award by OPF-Operation Pharmacy Federation.

Dear Colleagues,

Please note the transportation arrangement for Three day workshop on "Student Learning in Instructional Design (SLIDE)" from 8-05-2019 to 10-05-2019 at VEDIC, Aziz Nagar.

Date of Travel: 8-05-2019 (Wednesday)

Driver: Narsimha 12B Route bus Cell Number: 7693765901

College (5:30 AM) - Narsapur (5:35 AM) - Prakruthi Nivas (6:20 AM) - Balanagar (7:00 AM) - Alwyn X Roads (7:30 AM) - Aziz Nagar (8:30 AM)

All the members are requested to make the arrangements to reach the nearest bus stop as per above boarding points before the scheduled time

Note: The faculty should come prepared to stay @ VEDIC during the period of Workshop. They also need to carry Sports Shoes & Track Suits for Yoga & Exercise sessions

The participants are requested to adjust their class/work/nivigation/moderation/Valuation duty, if any, in consultation with respective HOD. The Faculty should carry any material required as per the program requirements

For any clarifications, faculty members are advised to contact the VEDIC Driver one day in advance to avoid delay in travel. The list of participants is also attached herewith for your reference

SLIDE brochure is also attached herewith.

About VIPER
Vishnu Institute of Pharmaceutical Education & Research (VIPER) was established in the year 2007 inaugurated by the excellent Dr. A.R. Abdul Kalam, Former President of India on 18th August 2007. VIPER is one more jewel in the crown of Sri Vishnu Educational Society. VIPER has now completed 11 years of existence and commitment to excellence in Pharmacy Education and is located at Narsapur, Medak (D) Telangana. The college is affiliated to the Jeevanathi Narayana Technological University, Hyderabad and also approved by the AICTE. PCI, VIPER is accredited by NBA/NMAC, recognised by DSIR and only Pharmacy College with both NAAC & NBA accreditation in the state of Telangana.

The primary motive of the VIPER is to encourage the young minds to come up with novel ideas and apply the basic concepts for the development of techniques in pharmaceutical sciences.

About the Seminar
Applications of Artificial Intelligence in the pharmaceutical industry are rapidly gaining momentum. We bring together Global Artificial Intelligence IT and Informatics Experts from leading pharmaceutical and technology companies to give strategic and visionary talks based on use cases throughout the pharmaceutical and healthcare sectors.

Dr. D. Suresh, President, PCI interacting with VIPER students

Scope of the Seminar
Life-science industries produce a great deal of complex, noisy and unstructured data. When any accessible analytical tools are applied valuable insights are missed. This Seminar will explore the use of Artificial Intelligence in a variety of contexts and discuss how they may address a critical objective - to capture the full value of the massive amounts of distributed data that are produced in the pharmaceutical and healthcare related industries.

Unique offerings of VIPER
• Centre for Molecular Cancer Research
• Centre for Cognitive Science
• Faculty for Computer Aided Drug Design (CADD)
• Achieved the Platinum rating AICTE/CII
• Placed Top 75 - 100th Rank in India by National Institutional Ranking Framework (NIRF) - 2018
• Recognised by DSIR under Committee on Industrial Research Organisation (CIRO)
• LOESDC
• Software Development for Drug Evaluation System (SDS)
• GAT (Coding in the Campus)
• Medical Coding Training
• Vishnu Educational Development and Innovation Center (VEDIC) - a platform for training to faculty and student
• Research MOUs with reputed Industries and Universities
• Placements

Presentation to Dr. T.V. Narayanaiah, President, IMA

CALL FOR PAPERS
The conference invites scientific papers for posters/ Oral presentations covering research topics in pharmaceutical sciences from the candidates pursuing B.Pharmacy, M.Pharmacy, Research scholars and Faculty members. Last date for the submission of soft copy of Abstract is 02/03/2019 by e-mail: aashadh2k19@viper.co.in
All the participants along with duly filled registration form and CD should reach the Convent by 04/03/2019.

POSTER / ORAL DETAILS
Size of the poster should be 1m
Oral presentation time limit is 8 min

REGISTRATION
All the participants have to register to attend the seminar in prescribed registration form attached by the email post receipt of the institution. The registration fee for various categories is as shown below:

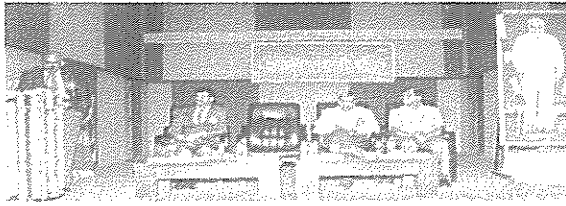

Registration Fee	
For members 4-31/03/19	Rs. 250/-
Non-Registration	Rs. 300/-

TRANSPORT
Candidates can avail college (DSIR & VIPER) Bus facility from different locations of the Hyderabad as given in our website.

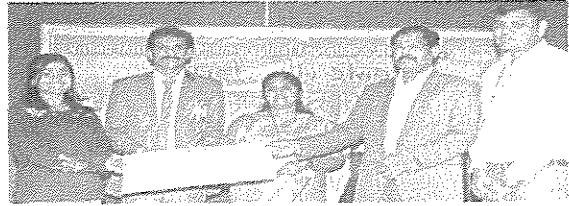

Important Dates

Submission of Abstracts : 02/03/2019
Intimation Date : 04/03/2019

The Best Presentation will be awarded
1st Prize: 5000/- 2nd Prize: 3000/-
3rd Prize : 1000/-

Vishnu Institute of Pharmaceutical Education & Research (VIPER) has now completed 11 years of existence and commitment to excellence in Pharmacy Education. VIPER is accredited by NBA, NAAC, recognised by DSIR and only Pharmacy College with both NAAC & NBA accreditation in the state of Telangana.

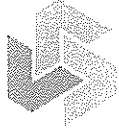

Life-science industries produce a great deal of complex, noisy and unstructured data. When only descriptive analytics tools are applied, valuable insights are missed. This seminar will explore the use of Artificial Intelligence in a variety of contexts and applications as they address a critical objective to capture the full value of the massive amounts of distributed data that are produced in the pharmaceutical and healthcare-related industries.

We brought together Global Artificial Intelligence, IT and Informatics Experts from leading pharmaceutical and technology companies to give strategic and visionary talks based on use cases throughout the pharmaceutical and Healthcare sector.

VIPER in collaboration with MHRD's innovation cell, Govt of India and Indian pharmaceutical association (IPA). Dr. Rao V. S. V. Vadlamudi, President, Common wealth Pharmacists Association (CPA) was the chief guest for the event. He addressed on proper use of mobiles for studying or acquiring knowledge. He also added to use disruptive technology and pension technology by the faculty to enlighten students with innovative technologies. This type of conferences brings out hidden talents and skills in students. The guest of honour were Dr.Venkat Reddy. He spoke on opportunities in Telangana region for pharmacy students. Srihari Kaninghat was the speaker on the day of event. He delivered lecture on digitalisation and its application in Pharma industries. Another speaker was Dr.D.Lakshmi, Scientific educational officer, VEDIC. She threw light on different Apps and softwares which can be helpful for students to explore their knowledge and learn new concepts using smart technologies. The total participants of faculty were 40

About VIFER

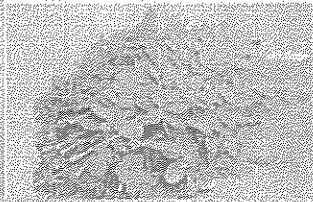

VIFER stands for Institute of Pharmaceutical Education & Research. VIFER was established in the year 2007, inaugurated by the illustrious Dr. A.P.J. Abdul Kalam, former President of India on 18th August 2007. VIFER stands proud in the crown of Sri Venkatesa Educational Society. VIFER has now completed 13 years of existence and commitment to excellence in Pharmacy Education and is located at Narasapur Medical (dt) Telangana. The college is affiliated to the prestigious "Jawaharal Nehru Technological University" Hyderabad and also approved by the AICTE, PCI, MBA and NAAC New Delhi. VIFER is the only Pharmaceutical educational institute with both NAAC & NBA accreditation in the state of Telangana.

NAVYA - Narasapur Abhiwuddi Vikas Yojana

Sri Vidhya Educational Society has a long and strong tradition of supporting the larger communities that it connects with - from education, health, drinking water, large-scale development of employable skills.

VISION:

To make technical education more inclusive through innovative community outreach programmes in and around Narasapur by taking up socially relevant projects.

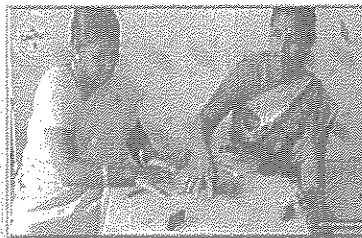

MHRD Institution's Innovation Council of VIFER

Ministry of Human Resource Development (MHRD) Govt. of India has established "MHRD's Innovation Cell (MIC)" to systematically foster the culture of innovation amongst all Higher Education Institutions (HEIs). The primary mandate of MIC is to encourage, inspire and nurture.

MIC has envisioned creation of 'Institution's Innovation Council (IIC)' across selected HEIs. VIFER has selected to establish IIC to promote innovation in the institution through multitudinous modes leading to an innovation promotion eco-system.

About the workshop:

India is an agrarian society, where more than 70 percent population living in rural areas. They depend on agriculture for their livelihood. The ability of the individuals in any society is a necessity to vest them for social affairs, economic growth and contribute in the development process. Therefore a nation progressing towards development requires institutions, entrepreneurship and skill development.

Skill training provides opportunities for employment and income generation. Skill training is particularly important for marginalized and vulnerable people of a country and enables them to increase income, employment and food security, as well as improving nutrition and health.

OBJECTIVES:

The Objective of this workshop is to improve the livelihoods of rural people by giving hands on training in

1. preparation of incense sticks from floral waste
2. Preparation of soaps from floral waste
3. preparation of Edible spoons
4. Preparation of Anti-diabetic Infusion bags
5. Moringa cultivation
6. Spinulna cultivation

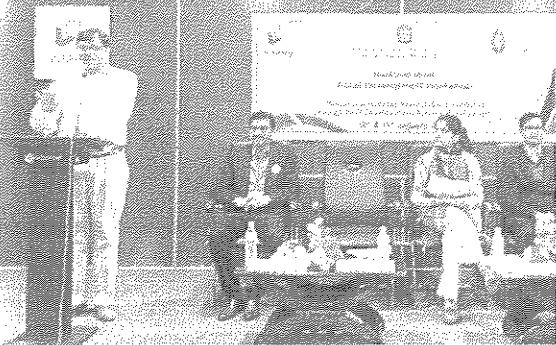

గ్రామీణ మహిళల అభివృద్ధికి శిక్షణా తరగతులు

- నర్సాపూర్లో జాతీయ స్థాయి శిక్షణా శిబిరం

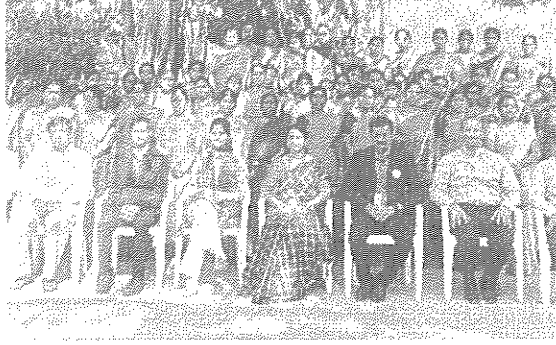

నర్సాపూర్, జనవరి 10 (ప్రభుత్వం): నర్సాపూర్ నమీపంలోని విష్ణు సాంస్కృతిక ఆంధ్ర ఫార్మాసిటికల్ ఎడ్యూకేషన్ అండ్ రీసెర్చ్ కళాశాలలో గురువారం జాతీయ స్థాయి గ్రామీణ అభివృద్ధి శిక్షణా శిబిరం నిర్వహించారు. శిక్షణా శిబిరం కళాశాలలో తెలంగాణ రోజుల పాటు జరుగుతున్నందున కార్యక్రమం

బస్నెస్ మెంట్ డెవలప్ చేయడం, ఈ కార్యక్రమంలో ముఖ్యపాత్రను గ్రామీణ మహిళలకు వ్యర్థాలనుండి సబ్బులు, అగరబిళ్లలు తయారీ విధానం, దీర్ఘధాన్యాలు పెండిట్ రెంచాలు తయారు చేయడం, మొక్కల పెంపకం ద్వారా అర్జికాలివృద్ధి పెరుగుతుందని తెలిపారు. ఈ శిక్షణా శిబిరం ద్వారా

క్యానీసింగ్, స్కాప్ దూబి విప్పేనే శిక్షణ ఇవ్వారు. ముఖ్య అతిథిగా విష్ణు సాంస్కృతిక వైస్ చైర్మన్ రవిచంద్రన్ రాజగోపాల్ మాట్లాడుతూ గ్రామీణ ప్రాంతాల ప్రజలకు అర్థికాభివృద్ధికి దారాజీ కార్యక్రమాలు చేపట్టడానికి మౌళికాలు ముందుంటాయని తెలిపారు. ఈ కార్యక్రమంలో ప్రెసిడెంట్ చాక్లర్ ఎ.లవణి, డిప్యూటీ చైర్మన్ కృష్ణారెడ్డి హెచ్.బోడే లక్ష్మీ నర్సయ్య, అధ్యాపక బృందం పాల్గొన్నారు.

మాట్లాడుతున్న వైస్ చైర్మన్ రవిచంద్రన్

విద్యార్థులలో సామూహిక చిత్రం

National level Rural Development Workshop on “smart practices for sustainable livelihood through skill development among rural people” was held from 10/01/2019 to 11/01/2019 in VIPER. Participants are Teaching faculty of VIPER and also rural people from Narsapur village and meeting was conducted at RDO office, Narsapur to create the awareness about the workshop. Faculty from Sri Venkateshwara College of pharmacy and BVRITN participated in the workshop.

The workshop was organized in association with Indian Pharmaceutical Association (IPA) & NAVYA under the support of MHRD’s Institutional Innovation cell (IIC) & Rural women Technology park, BVRITN. Dr. A Ramesh, Principal acted as organizing secretary for the workshop and the programme was led by Dr. K. Vanitha, HOD & Professor, Department of Pharmaceutics, VIPER with her team

Day-1: The Workshop was inaugurated by Sri RavichandranRajagopal, Vice Chairman, SVES, followed by hands on training on different modules by Ms.Khyati Singh,Project Manager,Rajasthan GrameenaAjeevikaParishad, Rajasthan and Mr.SamratDubey, Young professional rural development Department, Bihar and a visit to total women Technology park, BVRITN.

Day-2: Participants were taken to Moringa farms at Gurrampode village, Nalgonda District to have practical exposure on Cultivation of Moringa. Mr.Damayan Reddy, MD, Moringa cafe had explained the cultivation techniques to enhance the yield.

Valedictory:

Addressed by Mr.Damayan Reddy, MD, Morings cafe

Outcome of the Workshop:

1. Incense sticks from floral waste
2. Soaps from floral waste
3. Edible spoons
4. Moringa and Antidiabetic Infusion bags
5. Learned techniques in Moringa cultivation
6. Awareness about Spirulina cultivation

National level Faculty Development Workshop on

Applications of cell culture Techniques in anti cancer drug discovery from 13th to

15th December 2018

Vishnu Institute of Pharmaceutical Education & Research (VIPER)

What for the workshop will be?

To get knowledge on Applications of cell culture techniques in Drug discovery

ABOUT VIPER & CMCR

VIPER
Vishnu Institute of Pharmaceutical Education & Research (VIPER) was established in the year 2007 inaugurated by His Excellency Dr. A.P.J. Abdul Kalam, Former President of India on 15th August 2007. VIPER is one more jewel in the crown of Sri Vishnu Educational Society. VIPER has now completed 11 years of existence and commitment to excellence in Pharmacy Education and is located at Narsapur, Medak (dist) Telangana. The college is affiliated to the prestigious Jawaharal Nehru Technological University, Hyderabad and also approved by the AICTE, PCI, NBA, and NAAC New Delhi. VIPER is the only Pharmaceutical educational institute with both NAAC & NBA accreditation in the state of Telangana.

CMCR
Centre for Molecular cancer research (CMCR) established as an interdisciplinary research centre in the campus of Vishnu Institute of Pharmaceutical Education & Research (VIPER), Narsapur, Telangana in the year 2016. The aim of the centre is to bridge the gap between Pharmaceutical and life science research and also to bring the multilayered process of cancer drug discovery on to single platform. The focus of the new Centre will be to Screen and create compounds that are purpose-built to interrupt specific biochemical processes while avoiding harm to normal cellular functions.

Centre for Molecular Cancer Research (CMCR)

National level
Faculty Development Workshop
On
"APPLICATIONS OF CELL CULTURE TECHNIQUES IN ANTICANCER DRUG DISCOVERY"

Organized by
Centre for Molecular Cancer Research (CMCR),
Vishnu Institute of Pharmaceutical Education & Research (VIPER),

Supported by

National Science and Engineering Research Board (NSRF)

Indian Pharmaceutical Association (IPA)

13th to
15th
December 2018

We at CMCR are working on various disciplines like Medicinal chemistry, Computational chemistry, and Cancer biology to understand the current global state of drug discovery. The Centre has well sophisticated Cell culture facility and well equipped life science research facilities along with Computational & Medicinal chemistry laboratories.

About the Workshop:
Mammalian cell culture is one of the most essential common tools used in interdisciplinary scientific research. Our 3-day workshop is designed to provide a clear understanding of cell culture techniques through classroom presentation and laboratory exercises. Participants will learn the importance of biological basis behind different disciplines of Pharmaceutical Sciences that leads to the process of Drug discovery. This will allow faculty to translate the experimental techniques into applications of their own research areas.

Objectives of the Workshop:
Mammalian cell cultures are an important tool in modern biomedical research. In this three-day workshop, participants will be given hands-on training in culturing cancer cell lines in vitro including:

- Growth media preparation, cell counting and Passaging, freezing and thawing of cells.
- In addition, participants will also perform cell viability assays by treating cells with different cytotoxic drugs.
- Cell viability will be checked through plate reader-based assays such as MTT assay, LDH release and crystal violet assay.

క్యాన్సర్ కణాలపై జాతీయ స్థాయి సదస్సు

సదస్సులో మాట్లాడుతున్న ప్రభాశంకర్

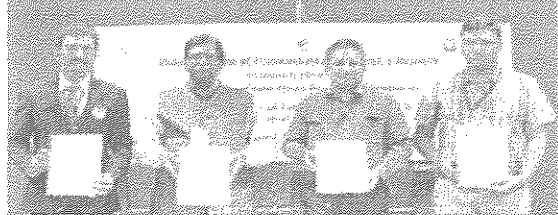

నర్సాపూర్, డిసెంబర్ 13 (ప్రభస్వయం) : నర్సాపూర్ వద్దని సమీపంలోని విష్ణు ఇన్స్టిట్యూట్ ఆఫ్ ఫార్మాసూటికల్ ఎడ్యుకేషన్ అండ్ రీసెర్చ్ కళాశాలలో గురువారం కేన్సర్ కులాల పరిశోధనపై అధ్యాపకులు జాతీయ స్థాయి శిక్షణ, సైబ్యజ్య సదస్సును ప్రారంభించారు.

ఈ సదస్సు మూడు రోజుల పాటు జరుగుతుంది. దీనికి ముఖ్య అతిథిగా జేపీపీ తెలంగాణ డివిజన్ అధ్యక్షుడు డాక్టర్ ప్రభాశంకర్ హాజరై

మాట్లాడుతూ కేన్సర్ కులాల అధ్యయనం చాలా అవసరమని తెలిపారు. ఇప్పటికే ప్రపంచ వ్యాప్తంగా పురోగామి వృద్ధిని సాధించామని చెప్పారు. మన దేశం వైలబీపిలు ప్రతిభ కూడా ముఖ్య పాత్ర పోషిస్తుందని తెలిపారు. అంతేగాకుండా విద్యార్థులు పరిశోధనలపై మక్కువ పెంచుకోవాలని నూచించారు. ఈ కార్యక్రమంలో వైపర్ కళాశాల ప్రీ స్పిషియల్ డాక్టర్ రమేష్, వైస్ ప్రెసిడెంట్ డాక్టర్ రాజేంద్రప్రసాద్, అధ్యాపకులు ఎన్వీవీఎస్ఎస్ఎం లక్ష్మి, డాక్టర్ రామాంజనేయులు పాల్గొన్నారు.

క్యాన్సర్ కణాలపై అధ్యయనం అవసరం

నర్సాపూర్: క్యాన్సర్ కణాలపై అధ్యయనం ప్రపంచానికి అవసరమని ఐపీఎ తెలంగాణ డివిజన్ ప్రెసిడెంట్ డాక్టర్ ప్రభాశంకర్ అన్నారు. గురువారం నర్సాపూర్లోని విష్ణు ఇన్స్టిట్యూట్ ఆఫ్ ఫార్మాసూటికల్ ఎడ్యుకేషన్ అండ్ రీసెర్చ్ కాలేజీలో ప్రారంభమైన మూడు రోజుల క్యాన్సర్ కణాల పరిశోధనపై జాతీయ స్థాయి అధ్యాపకుల శిక్షణ కార్యక్రమంలో ఆయన ముఖ్య అతిథిగా పాల్గొని మాట్లాడారు. ప్రపంచ వ్యాప్తంగా ఇప్పటికే ఎంతో పురోభివృద్ధి సాధించారని, మన దేశ సైంటిస్టులు సైతం ప్రతిభతో ముఖ్య పాత్ర పోషిస్తున్నారని ఆయన తెలిపారు. విద్యార్థులు పరిశోధనలపై మక్కువ పెంచుకోవాలన్నారు. లైలా న్యూట్రీషియాలజీకల్ ప్రాజెక్ట్ మేనేజ్మెంటు అధిపతి కృష్ణంరాజు గౌరవ అతిథిగా పాల్గొని మాట్లాడుతూ ప్రోఫెసర్లు విద్యార్థులకు విద్య నేర్పించడంతో పాటు పరిశోధనలు చేయాలని

వైపర్ కాలేజీలో సావనీర్ను ఆవిష్కరిస్తున్న దృశ్యం

అసక్తిని కల్పించాలని నూచించారు. వైపర్ కాలేజీ ప్రెసిడెంట్ డాక్టర్ రమేష్ మాట్లాడుతూ జాతీయ స్థాయి శిక్షణ శిబిరం తమ కాలేజీలో చేపట్టడంతో ఎంతో మంచి ప్రోఫెసర్లకు ఉపయోగకరంగా ఉంటుందని ఆశాభావం వ్యక్తం చేశారు. కార్యక్రమంలో కార్యక్రమం కన్వీనర్ డాక్టర్ అప్పారాజు, కాలేజీ వైస్ ప్రెసిడెంట్ రాజేంద్రప్రసాద్, ప్రోఫెసర్లు డాక్టర్ లక్ష్మి, డాక్టర్ రామాంజనేయులు తదితరులు పాల్గొన్నారు. ఈ సందర్భంగా శిక్షణ శిబిరానికి సంబంధించిన సావనీర్ను ఆవిష్కరించారు.

National level faculty Development Workshop on “Applications of cell culture Techniques in anti-cancer drug discovery” was conducted from 13th to 15th December 2018 by CMCR, VIPER, Narsapur. Participants from various pharmacy colleges in Telangana and Andhra Pradesh have attended the workshop and 34 faculty of VIPER were attended. Dr. A. Ramesh, Principal acted as organizing secretary for the workshop and the programme was led by Dr. D. Appaji, Welcome trust/DBT Young Scientist, VIPER with his team. The workshop was inaugurated by the chief guest Dr. Prabha Shankar, IPA Telangana division president and Guest of honor AV Krishnam Raju, Project Manager, Laila nutraceuticals, Vijayawada, Andhra Pradesh. In this three-day workshop, participants were given hands on training in culturing cancer cell-lines *in vitro* including growth media preparation, cell counting and passaging, freezing and thawing of cells. Participants also performed cell viability assays by treating cells with different cytotoxic drugs. Cell viability was checked through plate reader based assays such as MTT assay, LDH release and crystal violet assays.

The valedictory was conducted on 15th December 2018, Dr. Kavita waghrey, Dean OU, and Dr. Kumar Nemmani, Director SVES have attended the workshop as chief guest and Guest of honor respectively. The organizer Dr.D.Appaji, thanked the management of VIPER for giving the support and encouraging the team to organize the workshop. Feedback was taken from the participants.

ANDHRA UNIVERSITY

25.07.2018

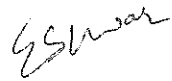

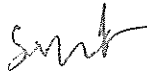

Experimental Pharmacology programme was conducted for VIPER faculty on 25-07-2018. The guest speakers were Dr K. Eswar Kumar and Dr Swathi from ANDHRA University.

Firstly Dr K.Eswar Kumar addressed the faculty and he explained about the Pharmacological studies and experimental Pharmacology. How to use animals, protocols needed for using animals. He also mentioned that how ethical committee protocols should take precautions to permit animals for experiments. Lastly Dr Swathi has shown softwares related to experimental Pharmacology.

Academic Year 2018-19

Updation of Library Facilities:

Vishnu Institute of Pharmaceutical Education & Research (VIPER) was established and inaugurated by His Excellency Dr. A.P.J. Abdul Kalam, Former President of India on 16th August 2007. It has got approval from AICTE, PCI and JNTU, Hyderabad. It is the only college in Both Telangana and Andhra Pradesh with Both NAAC & NBA Accreditation. VIPER has received various awards to name few: Educational Excellence Award 2020, Got All India Special Appreciation IPA Local Branch Award 2020, NIRF ranking 2018. Secured Platinum rank by AICTE-CII Survey 2016, 2017, 2018, 2019 & 2020 for Industrial Linked Pharmaceutical Institute. Vishnu Institute of Pharmaceutical Education and Research received First place as EMERGING INSTITUTION in Nationwide survey of CII-AICTE 2017 with platinum category, etc.

VIPER has various Organizational reorganization like Scientific & Industrial research organization (SIRO) under DSR, Life Sciences Sector Skill Development Council training (Govt. of India), Smaksha Independent Ethics committee and MOU with Industries and foreign universities like Dr Reddy's Laboratories, Granules India Ltd. and VE Univ., North Eastern university, etc.

VIPER had well established laboratories like Centre for Molecular Cancer Research, Cognitive Science Initiative, Assistive Technology Lab (ATL), Soft Skill Training and Industry Institute Interaction Cell. It also has many ongoing has research grants from DST, DBT, ICMR & AICTE.

VIPER Offers Bachelors & Masters in Pharmacy with Specializations of Pharmaceutics, Pharmaceutical Analysis and Pharmacology.

About our Society

- ❖ Padma Shri & Padma Bhushan awardee Shri Dr. Bhupathiraju Vissam Raju, was a man of high aim and higher achievements started high quality education in the fields of pharmacy, Medicine and Engineering through the society SHRI VISHNU EDUCATIONAL SOCIETY (SVES) in the states of Telangana & Andhra Pradesh.

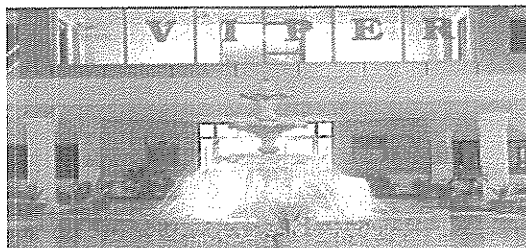

- ❖ SVES aims to achieve academic excellence through its improved pedagogy, classroom interaction, seminars, eminent academicians, workshops & training programs.

In Association with

Sri Vishnu Educational Society

“Updation of Library Facilities” training programme was conducted to Non-teaching staff. This programme was conducted by SVVNSM Lakshmi, Academic Cordinator along with VISHNU society Librarians. In this programme MVN Rajani from VIPER has participated. In this programme she was trained how to update the library facilities like digital library, increasing the journals and increasing more about general motivational books. Programme was conducted on 02-12-2018.

Certificates were issued to the participant at the end of the programme.

ANNUAL REPORT 2018-2019

Vishnu Institute of Pharmaceutical Education & Research (VIPER) was established under the aegis of Sri Vishnu Educational Society (SVES) in the year 2007 inaugurated by His Excellency Dr. A.P.J. Abdul Kalam, Former President of India on 16th August 2007. The institute is affiliated to Jawaharlal Nehru Technological University, Hyderabad Telangana, and approved by the AICTE and PCI, New Delhi. With our strong national and international connections, the institute has earned a reputation as a premier institute offering B.Pharmacy (100) and M.Pharmacy in Pharmaceutics (15) and Pharmaceutical Analysis & Quality Assurance (15) intake. It is the only pharmaceutical educational institute in Telangana that has been accredited by both NBA and NAAC. As per the guidelines of innovation cell, MHRD, Government of INDIA, the institution has established an institution innovation council (IIC). Institution has been recognized by the DSIR under SIRO. Through its partnership with Life Science Skill Sector Development Council (LSSSDC), the Institute has strong industrial relations.

The institute has well-equipped laboratories catering to the various interests of its researchers. Facilities include the Centre for Molecular and Cancer Research (CMCR), the Cognitive Science Laboratory, nutraceutical development facilities, and the Centre for Nanotechnology. Research grants from a variety of funding agencies demonstrate the faculty's strong research potential. Additionally, the institution engaged in various industrial consulting projects and research results were published in reputed journals and patented. The institute is well connected with WI-FI round the clock for the benefit of the students. We have a well-equipped air-conditioned seminar room with the latest technology to host national and international conferences, seminars, etc. Sports facilities and a spacious canteen are available at the college. Students and faculty have access to hygienically prepared food. Transportation and accommodation are provided for both students and faculty. As a health care institution, the institute is dedicated to providing quality education and empowering students to meet society's needs.

Dear Friends

It gives us immense pleasure to invite you for National Conference on "Global Scenario of Pharmaceutical Intelligence & Negligence" to be held on 17th February, 2018 at Vichra Institute of Pharmaceutical Education & Research (VIPER).

SCOPE OF CONFERENCE

The profession of pharmacy Education, in the present scenario, needs to have an overview on Global Scenario of Pharmaceutical Intelligence & Negligence, which helps to upgrade technological changes occurring in the field of Pharmacy.

In this conference, the deliberations are planned in such a way where expertise will share their experiences with a case study and trouble shooting to impart best skills to improve their analytical knowledge.

ABOUT THE COLLEGE

Vichra Institute of Pharmaceutical Education & Research (VIPER) was established in the year 2007 under Sri Vichra Educational Society at Narsapur, Greater Hyderabad of Telangana. It is affiliated to Jawahar Education Technological University (JNTU), Hyderabad and offers Under Graduate and Post Graduate Programs (Pharmaceutics, Pharmaceutical Analysis & Quality Assurance) in Pharmacy. VIPER was accredited by NAAC, Recognized by QSAR.

The primary motive of VIPER is to encourage young minds to come up with new ideas and apply the basic concepts for the development of new techniques.

UNIQUES OF VIPER:

- Cell Culture Laboratory
- Cognitive Research Laboratory
- Production & cultivation of Spirulina
- LSSBDC (Life Sciences Sector Skill Development Council)
- QPAT Coaching
- Medical Coding Training
- Trainings at Swarna Bharathi Trust (SBT)
- Faculty Development Trainings at VEDIC
- Trainings to Dr. Reddy's Lab Employees
- MOUs with reputed organisations/universities
- Placements

ACHIEVEMENTS

VIPER bagged National Level QPAT Rank and also many students are admitted in NIPER and other prestigious institutions.

Our students were employed in esteemed industries like Johnson & Johnson, Parexel, Novartis, Quinbia, Cognizant, TCS, United Health Group, Dr. Reddy's Laboratories, Aurobindo Pharma, Hetero Labs, etc. Most of our students went to abroad to pursue their Higher Studies.

CALL FOR PAPERS

The conference invites scientific papers for Poster Oral Presentations covering research topics in Pharmaceutical Sciences from the candidates pursuing B.Pharmacy, M. Pharmacy, Research scholars and Faculty members. Send your abstract by e-mail: acad@viper.ac.in

The registration form and CD should reach the VIPER by 16.02.2018. Abstract / Papers should be typed in MS-Word with 14 font size of 12pt, 12 font size Text in Times New Roman with single spacing not more than 200 words.

IMPORTANT DATES

Submission of Abstracts : 12-02-2018
Information Date : 13-02-2018

The Best Presentation will be awarded

1st Prize: 5000/- 2nd Prize: 3000/-
3rd Prize: 1000/-

POSTER / ORAL DETAILS

Size of the poster should be 1m²
Oral presentation time limit is 8 min.

REGISTRATION

All the participants will have to register to attend the conference in prescribed registration form attested by Principal/Head of Institution. The registration fee for various categories is as shown below.

Registration fee:
on or before 15.02.2018) Rs. 250/-
Spot Registration fee: Rs. 300/-
Transport: Candidates can avail College (SVRBT) Bus facility from different Quarters of Hyderabad as given at our website.

One day Conference was hosted by VIPER, Narsapur was held on 17th February, 2018 at VIPER campus, Narsapur, Medak District. Over all 32 Faculties from VIPER participants and 50 faculty and principals from various reputed pharmacy colleges surrounding Narsapur, Medak and Hyderabad attended this conference.

Dr. A. Ramesh, Principal, VIPER delivered a welcome speech enlightened about the conference and importance attached to the conference.

The conference was initiated with the Honorable presence of the Dr. T.V.Narayana, Chairman, Indian Pharmaceutical Association, Mumbai as chief guest, explained about the role of pharmacy and pharmacist in community. Sri R. Ravichandran, Vice chairman, SVES and Dr. D. Basava Raju, Director, Pharmacy Colleges, SVES, briefed about the conference and importance of pharmacy profession in academia and industry.

Next to the inauguration, panel discussion was organized with the eminent speakers, Dr. Sushrutha Koppula, Associate Professor, College of Biomedical & Health Sciences, Konkuk University, Korea; Dr. Jaganatha, Associate director of PK Sciences, Novartis Health care Private limited and Mr.Manas Mishra, founder of JAMP from academia and industry on the theme of the conference.

During Valedictory function, Sri KMP Patnaik, Granules Private Limited, Gagillapur, was the chief guest. He has spoken on the importance of pharmacy field in industry and various opportunities available for the students in industries.

The conference featured highly interactive events, including diversified plenary lectures, poster sessions, oral sessions and conference awards. With the support and guidance of all the Members and astonish presentations of all participants along with Researchers, Students and leaders from various fields of Pharmacy made this event a grand success.

CANCER AWARENESS PROGRAMME

Vishnu Institute of Pharmaceutical Education & Research (VIPER) was established and inaugurated by His Excellency Dr. A.P.J. Abdul Kalam, Former President of India on 16th August 2007. It has got approval from AICTE, PCI and JNTU, Hyderabad. It is the only college in Both Telangana and Andhra Pradesh with Both NAAC & NBA Accreditation. VIPER has received various awards to name few: Educational Excellence Award 2020, Got All India Special Appreciation IPA local Branch Award 2020, NIRF ranking 2018, Secured Platinum rank by AICTE-CII Survey 2016, 2017, 2018, 2019 & 2020 for Industrial Linked Pharmaceutical Institute, Vishnu Institute of Pharmaceutical Education and Research received First place as EMERGING INSTITUTION in Nationwide survey of CII-AICTE 2017 with platinum category, etc.

VIPER has various Organizational reorganization like Scientific & Industrial research organization (SIRO) under DSR, Life Sciences Sector Skill Development Council training (Govt. of India), Suraksha Independent Ethics committee and MOU with Industries and foreign universities like Dr. Reddy's Laboratories, Granules India Ltd. and YU Univ., North Eastern university, etc.

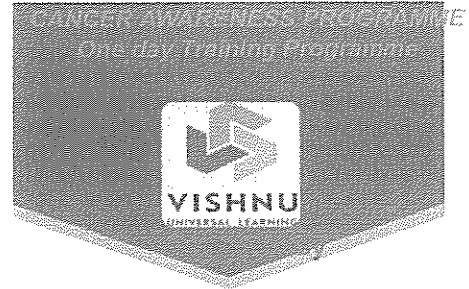

VIPER had well established laboratories like Centre for Molecular Cancer Research, Cognitive Science Initiative, Assistive Technology lab (ATI), Soft Skill Training and Industry Institute Interaction Cell. It also has many ongoing has research grants from DST, DBT, ICMR & AICTE.

VIPER Offers Bachelors & Masters in Pharmacy with Specializations of Pharmaceutics, Pharmaceutical Analysis and Pharmacology.

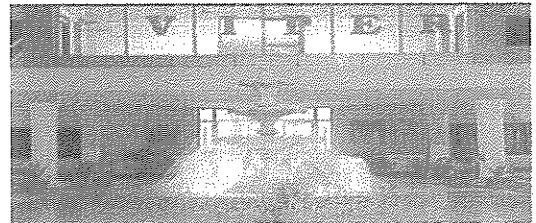

About our Society

- ❖ Padma Shri & Padma Bhushan awardee Shri Dr. Bhupathiraju Vissam Raju, was a man of high aim and higher achievements started high quality education in the fields of pharmacy, Medicine and Engineering through the society SHRI VISHINE EDUCATIONAL SOCIETY (SVES) in the states of Telangana & Andhra Pradesh.

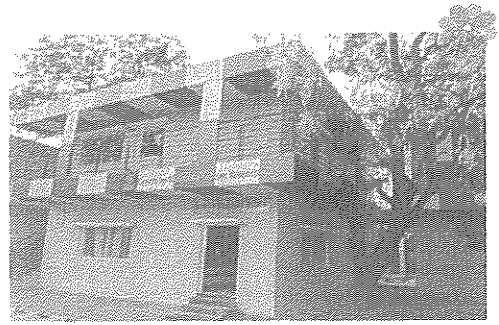

- ❖ SVES aims to achieve academic excellence through its improved pedagogy, classroom interaction, seminars, e-learning, academicians, workshops & training programs.

VISHNU
UNIVERSAL LEARNING

ANNUAL REPORT 2017-2018

Vishnu Institute of Pharmaceutical Education & Research (VIPER) was established under the aegis of Sri Vishnu Educational Society (SVES) in the year 2007 inaugurated by His Excellency Dr. A.P.J. Abdul Kalam, Former President of India on 16th August 2007. The institute is affiliated to Jawaharlal Nehru Technological University, Hyderabad Telangana, and approved by the AICTE and PCI, New Delhi. With our strong national and international connections, the institute has earned a reputation as a premier institute offering B.Pharmacy (100) and M.Pharmacy in Pharmaceutics (15) and Pharmaceutical Analysis & Quality Assurance (15) intake. The college was accredited by NAAC. As per the guidelines of innovation cell, MHRD, Government of INDIA, the institution has established an institution innovation council (IIC). Institution has been recognized by the DSIR under SIRO. Through its partnership with Life Science Skill Sector Development Council (LSSSDC), the Institute has strong industrial relations.

The institute has well-equipped laboratories catering to the various interests of its researchers. Facilities include the Centre for Molecular and Cancer Research (CMCR), the Cognitive Science Laboratory and the Centre for Nanotechnology. Research grants from a variety of funding agencies demonstrate the faculty's strong research potential. Additionally, the institution engaged in various industrial consulting projects and research results were published in reputed journals and patented. The institute is well connected with WI-FI round the clock for the benefit of the students. We have a well-equipped air-conditioned seminar room with the latest technology to host national and international conferences, seminars, etc. Sports facilities and a spacious canteen are available at the college. Students and faculty have access to hygienically prepared food. Transportation and accommodation are provided for both students and faculty. As a health care institution, the institute is dedicated to providing quality education and empowering students to meet society's needs.

Number of workshops/seminars/conferences conducted: Teaching

Date	Title of the Programme
17-02-2018 to 17-02-2018	Global scenario of Pharmaceutical intelligence and Negligence
25-01-2018 to 25-01-2018	Cancer Awareness Program
25-11-2017 to 25-11-2017	Regulatory Affairs

Number of workshops/seminars/conferences conducted: Non teaching

Date	Title of the Programme
28-01-2018 to 28-01-2018	Personality and Skill Development Programme
23-10-2017 to 25-10-2017	Care during Chemical Handling and Training on central fire Facility

Details of the Seminars/ Conferences / Workshops / Refresher Courses / Orientation Courses/ FDP's attended:

Name of the teacher attended & Nature of programme	Title of the Programme	Date of conduct
Rajitha.E Short term course	Gender Sensitization	30-07-2018 to 04-08-2018
Dr.K.Vanitha Refresher course	Pedagogy for online and blended teaching learning process	08-05-2018 to 28-05-2018
	Molecular modelling using open source software	29-10-2018 to 31-10-2018
R.Suhasini Refresher course	"Basic Principles and Research Advancements in Life Sciences and Pharmaceutical Sciences"	22-01-2018 to 12-02-2018
S.Srujana	Pharmaceutical sciences and Research on Developing Pharmacy Education	10-07-2017 to 15-07-2017
Mr.Venkat Swamy	Pharmaceutical sciences and Research on Developing Pharmacy Education	10-07-2017 to 15-07-2017
Mr.K.Vamshi Krishna	Pharmaceutical sciences and Research on Developing Pharmacy Education	10-07-2017 to 15-07-2017
Ms.S.Sandhya Rani	Pharmaceutical sciences and Research on Developing Pharmacy Education	10-07-2017 to 15-07-2017

Number of extension and outreach Programmes conducted by the institution during the academic year:

Name of the activity	Organizing unit/ collaborating agency	Name of the scheme
Haritha Haram Vanamahotsav	NSS, VIPER	Haritha Haram
Digital payment	NSS, VIPER	Digital Transactions
Cleaning of the college	NSS, VIPER	Swachhapakhwadha campaign
Awareness on open defecation and construction of toilets.	NSS, VIPER	Swachh Bharat
swachhapakhwadha programs	NSS, VIPER	Swachhapakhwadha campaign

Number of MoUs with institutions, other universities, industries, corporate houses etc.

Name of the institution/ industry/ corporate house with whom MoU is signed	Duration	List the actual activities under each MOU and web -links year-wise
Konkuk University, South Korea	3 years	Phytonutrient herb <i>Coriandrum sativum</i> attenuates microglia mediated neuroinflammation
BOGAR Laboratories, Peddapuram, East Godavari Dt. Andhra Pradesh	3 years	Development of synthetic route for the synthesis of pyrazolopyrimidines
Incozen Therapeutics Pvt. Ltd., Hyderabad	3 years	Identification of Pharmacophore of quinazolines to target lung cancer
University of Houston, College of Pharmacy, Houston, TX, USA	3 years	Nicotine instigates podocyte injury via NLRP3 inflammasomes activation
Startech labs	3 years	Industrial Visits for students
CCMB, Hyderabad	3 years	Quinazolinone tagged acridones as potent cytotoxic agents: In vitro and In-silico EGFR tyrosine kinase inhibitory studies
Granules India Ltd, Hyderabad	3 Years	Training to employees
Dr.Reddys laboratories Ltd., Hyderabad.	3Years	Training to employees

Guest Lectures:

S.No	Title of the lecture	Date	Year of students appeared
1.	Health care Pharma and diagnostic drive of innovation and business	16-02-2017	II year B.Pharmacy (16DH)
2.	Research publications issues related to Plagiarism	01-04-2017	III & IV year B.Pharmacy (15DH & 14DH)
3.	Domain in Clinical Research	13-04-2017	IV Year B.Pharmacy (14DH)
4.	Clinical data management and Pharmacovigilance	17-04-2017	III Year B.Pharmacy(15DH)
5.	Pharmacovigilance	10-08-2017	IV Year B.Pharmacy (14DH)
6.	Communication and interview skills	12-10-2017	I & II Year B.Pharmacy (16DH & 17DH)
7.	Webinar on Gas Chromatography	26-10-2017	III & IV Year B.Pharmacy (14DH & 15DH)
8.	Regulatory affairs	25-11-2017	III & IV Year B.Pharmacy (14DH & 15DH)
9.	Opportunities in Europe	30-12-2017	IV year B.Pharmacy (14DH)
10.	Cancer Awareness	25-01-2018	I,II,III,IV Year B.Pharmacy (15DH, 16DH,17DH,18DH)
11.	Career Opportunities	09-02-2018	III & IV Year B.Pharmacy (14DH & 15DH)
12.	Medical Coding	09-03-2018	IV Year B.Pharmacy (14DH)

Grants received from Government and non-governmental agencies for research projects, endowments, Chairs in the institution during the academic year (INR in Lakhs)

Name of the Project/ Endowments, Chairs	Name of the Principal Investigator /Co- investigator	Department of Principal Investigator	Amount Sanctioned	Duration of the project	Name of the Funding Agency
Role of individual isoforms of Phosphoinositide 3-kinase (PI3K) inhibitors and non-selective inhibitors in in vivo models of Alzheimer's disease (AD). (SR/CSI/107/2012(G))	Dr A Ramesh	Pharmacology	4,892,800	3 Years	Department of Science and Technology (DST)
Structural insights to inhibit Epidermal Growth Factor Receptor (EGFR) dimerization & activation: Panitumumab induced Conformational study (6242-P55/RGCB/PBD/DBT/APDK/2015)	Dr.V.V.S.Rajendra Prasad	Pharmaceutical Analysis	431,500	3 Years	Department of Biotechnology (DBT)
Binding kinetics & Interaction analysis of Pertuzumab in complex with isolated extracellular domain II (sHER2 dII) & domain IV (sHER2 dIV) of Human Epidermal growth factor receptor 2(sHER2): Structural Implications in the inhibition of HER2/HER3 mediated dimerization and activation. (YSS/2014/002005)	D.Appaji	Ph. Chemistry	3,218,700	3 years	Department of Science and Technology (DST)

No. of Publications by Staff & Students: 34

Examination Results:

The college is organising a conference on

" PHARMACO-ECONOMIC SHIFT AND QUALITY OF LIFE "

Why to attend the conference ?

Pharmacoeconomics definition, measures, and compares the costs and consequences of drug therapy (healthcare systems and society) in today's nosetive settings. pharmacoeconomic methods can be applied for effective formulary management, individual patient treatment, medication policy determination, and resource allocation. Pharmacoeconomic data can be a powerful tool to support various clinical decisions, ranging from the level of the patient to the level of an entire health care system.

The principles and methods of pharmacoeconomics provide the means to quantify the value of pharmacotherapy through balancing costs and outcomes. Providing quality care with minimal resources - the future, and the future is here. By understanding the principles, methods, and application of pharmacoeconomics, health care professionals will be prepared to make better more informed decisions regarding the use of pharmaceutical products and services and to decisions that ultimately represent the best interests of the patient, the healthcare system, and society.

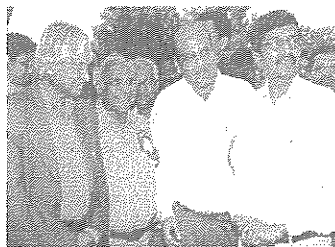

About I.S.S.D.C

National Skill Development Corporation (NSDC) has been set up under Skill Council for the purpose of setting up Sector Skill Councils for the purpose of developing National Occupation Standards (NOS) and Qualification Packets (QP), quality assurance through accreditation of skills acquired by trainees, curriculum development for the skills, training qualification framework and setting of standards and benchmarks, helping in recruitment and placement of trained and skilled work force, as well as developing a robust LMS.

The Indian Life Sciences Sector (comprising Pharmaceuticals, Bio Technology and Clinical) has been growing at a CAGR of 17%. In the process it has been facing a shortage of skilled work force across functions and levels. With this background, CII, in co-operation with NSDC, decided to set up a Sector Skill Council for Life Sciences namely, the Life Sciences Sector Skill Development Council (LSSSDC).

Vishnu Institute of Pharmaceutical Education & Research (VIPER) was established in the Year 2007 under Sri Vishnu Education Society. Our College is situated at Narsapur, Medak (Dist) in Prathine Environment and inaugurated by His Excellency Dr. A.P.J. Abdul Kalam, former President of India on 18th August 2007. It has approval from AICTE, PCI, JNTU, Hyderabad & Accredited by NAAC. At present the intake for first year B.Pharmacy is 100. It has very good lab facilities and library. The institute is well connected with wireless internet round the clock. It has got good logistic support from sister institutes like BVNLT, Narsapur and Sri Vishnu College of Pharmacy, Bhimavaram. Viper Students bagged many National GPAT Ranks, and state level PGCEET Ranks.

Placement of graduates of first batch has been note worthy. Many are placed in national and multinational companies such as Dr. Reddy's, Traceron, Unis, Aurobindo Pharma Ltd., Hetero Drugs Ltd. etc.

Inauguration of "VIPER"

Placement Rank in AICTE - CII Survey

MBA with Dr. Reddy's

National Election Competition

Blood Donation Camp

- Courses Offered:**
 *B. PHARMACY
 *M. PHARMACY
 *Pharmaceutics
 *Pharmaceutical Analysis

IMPORTANT DATES :
 Submission last date : 20th March 2017
 (LAST Dates to send abstracts)
 Information Date: 23rd March 2017

Conference Outline:
 To Make Awareness About Pharmacoeconomics,
 To Make Therapy Economical For All.

CALL FOR PAPERS :
 The topics for the oral and poster presentation shall be on the theme of seminar. The best abstracts will be selected for oral presentations and informed through E-mail.

Scientific papers can be displayed as poster presentation by teachers and students in the field of pharmaceutical sciences.

Abstract may be submitted both in hard and soft copies (CD only) in MS word format) with not more than 250 words in 12 /cc Times New Roman font. Abstract can also be sent through email: aushadh2k17@viper.ac.in

The best presentation will be awarded :
 1st Prize - 3000/- ; 2nd Prize : 2000/- ; 3rd Prize : 1000/-

Registration:
 All the participants will have to register to attend the workshop in prescribed registration form, attested by the principal/head of the institution. The registration fee for various categories is as shown below.

Registration fee (on or before 20th march) - Rs. 250/-
 Spot registration fee - Rs. 300/-
 Registration with accommodation fee - Rs. 400/-
 Registration form along with fee in the form of Demand Draft drawn in favor of "Principal, Vishnu Institute of Pharmaceutical Education & Research, Payshik at Narsapur.

Accommodation and Transport :
 Accommodation will be provide to non-local candidates in college permission on prior request. Local candidates can avail college (B.M.R.I.T) bus facility from different locations of Hyderabad.

An one day conference hosted by VIPER, Narsapur in association with LSSSDC was held on March 25, 2017 at VIPER campus , Narsapur, Medak District, based on the “Pharmacoeconomic Shift and Quality of Life”. A huge number of participants from various reputed pharmacy colleges surrounding Narsapur and VIPER, Medak and Hyderabad attended this conference. 40 Faculties of VIPER has attended for this programme.

The conference was initiated with the Honourable presence of the Mr. A.V.S. Mallikarjun, Vice president, AurobindoPharma; Mr. K. Subbireddy, Joint Director, Drug Control Administration; Dr.Satyanarayana, Retd. Professor, A.U and Dr. A. Ramesh, Principal, VIPER

Guest of Honor: Mr. A.V.S. Mallikarjun, Vice president, AurobindoPharma

Chief Guest: Mr. K. Subbireddy, Joint Director, Drug Control Administration

Dr.Satyanarayana, Retd Professor, A.U.

Plenary lecrures by Dr. N. Harishankar, Scientist C, NIN, Hyderabad, DR. C.T. Anita, Professor, HCU and Mr.Manash Mishra, Life Coach, JAMPS held the attention of all the delegates and left them spell bound with their knowledge in diversified fields.

Plenary lecrure 1: DR. C.T. Anita, Professor, HCU

Plenary lecrure 2: Dr. N. Harishankar, Scientist C, NIN, Hyderabad

Plenary lecrure 3: Mr.Manash Mishra, Life Coach, JAMPS.

Vishnu Institute of Pharmaceutical Education and Research
Narsapur, Medak District – 502 313, TS

ANNUAL REPORT 2016-2017

Vishnu Institute of Pharmaceutical Education & Research (VIPER) was established under the aegis of Sri Vishnu Educational Society (SVES) in the year 2007 inaugurated by His Excellency Dr. A.P.J. Abdul Kalam, Former President of India on 16th August 2007. The institute is affiliated to Jawaharlal Nehru Technological University, Hyderabad Telangana, and approved by the AICTE and PCI, New Delhi. With our strong national and international connections, the institute has earned a reputation as a premier institute offering B.Pharmacy (100) and M.Pharmacy in Pharmaceutics (15) and Pharmaceutical Analysis & Quality Assurance (15) intake. Through its partnership with Life Science Skill Sector Development Council (LSSSDC), the Institute has strong industrial relations.

The institute has well-equipped laboratories catering to the various interests of its researchers. Research grants from a variety of funding agencies demonstrate the faculty's strong research potential. Additionally, the institution engaged in various industrial consulting projects and research results were published in reputed journals and patented. The institute is well connected with WI-FI round the clock for the benefit of the students. We have a well-equipped air-conditioned seminar room with the latest technology to host national and international conferences, seminars, etc. Sports facilities and a spacious canteen are available at the college. Students and faculty have access to hygienically prepared food. Transportation and accommodation are provided for both students and faculty. As a health care institution, the institute is dedicated to providing quality education and empowering students to meet society's needs.
