### LIST OF WORKSHOPS/SEMINARS

S.No.	Name of the workshop/seminar	Date from – to
<b>2020-21</b>		
1	Implementation of social entrepreneurship, swachhata and rural engagement business idea activities	3/25/2021
2	Recent advances in cancer and role of pharmacist in cancer care	2/19/2021
3	Current update in pharmaceutical R&D	7/6/2020
<b>2019-20</b>		
4	Innovations in Drug development and clinical pharmacy	17/02/2020 to 18/02/2020
5	3D Printing Technology in dosage form design and drug delivery	9/3/2020 to 10/3/2020
6	Modern analytical tools: Applications of RP-HPLC in Pharmaceutical research	11/5/2019
<b>2018-19</b>		
7	Medical Affairs	6/29/2019
8	Digitalisation: Challenges and opportunities in transforming the Pharma and Healthcare	3/7/2019
9	Smart practices for sustainable livelihood through skill development among rural people	10/1/2019 to 11/1/2019
10	Applications of cell culture techniques in anticancer drug discovery	13/12/2018 to 15/12/2018
<b>2017-18</b>		
11	Global Scenerio on pharmaceutical intelligence and negligence	2/17/2018
<b>2016-17</b>		
12	Pharmacoeconomic Shift and Quality of Life	3/25/2017

**National level Workshop on  
Recent advances in cancer and role of pharmacist in cancer care on 19<sup>th</sup> February 2021**

Vishnu Institute of Pharmaceutical Education & Research (VIPER) has now completed 12 years of existence and commitment to excellence in Pharmacy Education. VIPER is accredited by NBA, NAAC, recognised by DSIR under SIRO and only Pharmacy College with both NAAG & NBA accreditation in the state of Telangana.

VIPER has conducted a workshop on “Recent Advances in Cancer and Role of Pharmacist in Cancer care” Workshop was organised in association with Indian Pharmaceutical Association (IPA) Narsapur local branch. Dr. K. V. Krishnamani from American Oncology Institute, Hyderabad was the chief guest for the event. Chief Guest delivered a wonderful lecture on the title Recent Advances in Cancer and Role of Pharmacist in Cancer care. This type of workshops brings out hidden talents and skills in students and faculty.

The total participants were 369 of which, 29 faculty and 340 students from various colleges from Telangana. This event was supported by Sri Vishnu Education Society.

**One week online International FDP/SDP on**  
**Current Updates in Pharmaceutical Research & Development from 6<sup>th</sup> to 11<sup>th</sup> July 2020**

Vishnu Institute of Pharmaceutical Education and Research, Narsapur in association with Indian Pharmaceutical Association and Unnat Bharat Abhiyan has organized **One-Week Online International FDP/SDP on Current Updates in Pharmaceutical Research & Development** “from 6<sup>th</sup> to 11<sup>th</sup> July 2020 with the support of chairman Dr. A. Ramesh, Principal, Convener Dr. K. Vanitha, HOD of Pharmaceutics and the coordinator Mrs. P. Durga Bhavani, Assistant Professor, Department of Pharmaceutics, VIPER.

The conference was inaugurated by Dr. A. Ramesh, Principal, VIPER and Dr. Kumar V.S. Nemmani, Director, Shri Vishnu College of Pharmacy, Bheemavaram, Andhra Pradesh. Total 1122 registrations of which, 1120 registrations from all over India, 1 registration from Kingdom of Saudi Arabia and 1 registration from USA

Conference started on Day 1 by the speaker Dr. Srinivas Gullapalli, Expert Pharmacology Consultant Mumbai, Maharashtra, India. He gave valuable presentation on “Pharmaceutical Drug Discovery Research-A Preclinical Perspective”.

Day 2 session speaker: Dr. Krishna M. Boini, PhD Assistant Professor, Dept. of Pharmacological and Pharmaceutical Sciences, College of Pharmacy, University of Houston, USA gave informative lecture on” Role of Inflammasomes in Obesity-Induced Glomerular Sclerosis”.

Day 3 session speaker: Dr. Arun HS Kumar, DBA, DVM, MVSc (Pharmacology and Toxicology), PhD (Pharmacology), School of Veterinary Medicine, University College Dublin, Ireland delivered lecture on "Effective targeting of SARS-COV-2: Stemcology approach".

Day 4 session speaker: Dr Murali Sunkara, Managing Director, Barclay Physical Therapy, Rochester-Michigan delivered lecture on “Physiotherapy role in Covid -19”.

Day 5 session speaker: Dr. Praveen Shukla, MS PharmD PhD Clinical Pharmacology Scientist II, Translational Medicine - Clinical Pharmacology, Vertex Pharmaceuticals, Boston, USA delivered a lecture on “Human Pluripotent Stem cell – Derived cardiomyocytes (HPSC-CMs) in Disease Modeling and Drug screening”

Day 6 session speaker: Dr. P. Nagaraju PGDM, MBA, PhD, MSc Yoga Pramanik Yoga delivered a talk on" Impact and science of yoga on Respiratory issues "Special reference to Covid -19".

The conference ended with vote of thanks by Dr.K.Vanitha, HOD of Pharmaceutics, VIPER.

The day wise feedback was collected from all the registered participants and E-certificate is issued from our college. This e-conference was a grand success because of the effort of the Vishnu Institute of Pharmaceutical Education and Research.

**2-Day International Conference on  
Innovation in Drug Development and Clinical Pharmacy on 17<sup>th</sup> and 18<sup>th</sup> February 2020**

Vishnu Institute of Pharmaceutical Education and Research, Narsapur in association with Endling conferences Pvt. Ltd., Hyderabad has organized 2<sup>nd</sup> International conference on “Innovation in Drug Development and Clinical Pharmacy” on 17<sup>th</sup> and 18<sup>th</sup> February 2020.

The conference was inaugurated by Dr. Sushruta Koppula, Associate Professor, Konkuk University, Seoul, South Korea, Mrs. Ahmedi Banu, Clinical Pharmacist, Makkah, Kingdom of Saudi Arabia, Dr. K. Ramadas, Chairman, Vikas College of Pharmaceutical Sciences, Suryapet, Telengana, Dr. Kumar V.S. Nemmani, Director, Shri Vishnu College of Pharmacy, Bheemavaram, Andhra Pradesh, Mr. Ravichandran Rajagopalan, Vice-chairman, Sri Vishnu Educational Society and Dr. A. Ramesh, Principal, Vishnu Institute of Pharmaceutical Education and Research, Narsapur.

After the inauguration, keynote forum started and the speakers gave their valuable presentations. 30 technical sessions were held with speakers coming from all over India. 800 delegates all over India have registered in this international conference, of which 90 e-posters were presented and 30 oral presentations. Along with presentations, pharma quiz and pharmathon were also conducted simultaneously. The best posters, oral presentations, winners of pharma quiz and pharmathon were awarded with memento. The conference ended with valedictory function in presence of chief guest Dr. T. Jayapal Reddy, Chairman, St. Peter’s Institute of Pharmaceutical Sciences, Hanamkonda, Guest of honors Dr. G. Krishna Mohan, Professor, JNTUH, Dr. Shobha Rani, Associate Professor, JNTUH, Dr. Ramesh Adepu, Principal, Vikas Institute of Pharmaceutical Sciences, Nalgonda and Dr. A. Ramesh, Principal, VIPER.

This convention was a grand success because of the collective effort of the Vishnu Institute of Pharmaceutical Education and Research and Endling conferences Pvt. Ltd. The convention ended with lots of joy and happiness expressed by highly satisfied delegates.

A workshop on  
Modern Analytical tools: Applications of RP-HPLC in Pharmaceutical Research on  
5<sup>th</sup> November 2019

Vishnu Institute of Pharmaceutical Education & Research (VIPER) has now completed 12 years of existence and commitment to excellence in Pharmacy Education. VIPER is accredited by NBA, NAAC, recognised by DSIR under SIRO and only Pharmacy College with both NAAC & NBA accreditation in the state of Telangana.

VIPER conducted a workshop on “Modern Analytical tools: Applications of RP-HPLC in Pharmaceutical Research” Life-science industries produce a great deal of complex, noisy and unstructured data, valuable insights are missed when only descriptive analytics tools are applied. This workshop explored the use of modern analytical tools like new *i*-Series plus Schematize HPLC & Nexis - GC in the Pharmaceutical Research.

Workshop was organised with the support of SINCO Biotech Pvt. Ltd. in association with Indian Pharmaceutical Association (IPA) Narsapur local branch & MHRD’s innovation cell, Govt of India. Mr S.Krishnan Senior Product Manager, Spinco Biotech was the chief guest for the event. This type of workshops brings out hidden talents and skills in students and faculty.

The total participants were 61 of which, 29 faculty and 32 M.Pharmacy students from various colleges Telangana. This event was supported by Sri Vishnu Educational Society.

National seminar on  
Aushadh 2k19: Digitalisation challenges and opportunities in transforming the pharma  
and healthcare on 7<sup>th</sup> March 2019

Vishnu Institute of Pharmaceutical Education & Research (VIPER) has now completed 11 years of existence and commitment to excellence in Pharmacy Education. VIPER is accredited by NBA, NAAC, recognised by DSIR and only Pharmacy College with both NAAC & NBA accreditation in the state of Telangana.

Life-science industries produce a great deal of complex, noisy and unstructured data. When only descriptive analytics tools are applied, valuable insights are missed. This seminar will explore the use of Artificial Intelligence in a variety of contexts and applications as they address a critical objective to capture the full value of the massive amounts of distributed data that are produced in the pharmaceutical and healthcare-related industries.

We brought together Global Artificial Intelligence, IT and Informatics Experts from leading pharmaceutical and technology companies to give strategic and visionary talks based on use cases throughout the pharmaceutical and Healthcare sector.

Aushadh 2K19 was organised in collaboration with MHRD's innovation cell, Govt of India and Indian pharmaceutical association (IPA). Dr. Rao V. S. V. Vadlamudi, President, Common wealth Pharmacists Association (CPA) was the chief guest for the event. He addressed on proper use of mobiles for studying or acquiring knowledge. He also added to use disruptive technology and pension technology by the faculty to enlighten students with innovative technologies. This type of conferences brings out hidden talents and skills in students. The guest of honour were Dr. Venkat Reddy. He spoke on opportunities in Telangana region for pharmacy students. Srihari Kaninghat was the speaker on the day of event. He delivered lecture on digitalisation and its application in Pharma industries. Another speaker was Dr. D. Lakshmi, Scientific educational officer, VEDIC. She threw light on different Apps and softwares which can be helpful for students to explore their knowledge and learn new concepts using smart technologies.

The total participants were around 745. Of which, 145 students presented posters and orals from 21 colleges of various states like Telangana, Andhra Pradesh, Karnataka and so on. Cash reward was presented to students who excelled in their presentation (poster and oral). First prize was won by Riya Sharma of Rs.5000/- from G. Pulla reddy college of

pharmacy, Second prize was won by Anusha (Gokaraju Rangaraju College of Pharmacy) of Rs.3000/- and third prize with Rs.1000/- was won by three members named Hemalatha (Swami Vivekananda college of pharmacy), Manya (VIPER) and Abdul Hassan (Suthan - UI - Uloom College of Pharmacy). This event was supported by Chemnova, startech labs pvt.ltd. and Excelra career.

**National level Rural Development Workshop on  
Smart Practices for Sustainable Livelihood through Skill Development among Rural  
People on 10 and 11<sup>th</sup> January, 2019**

National level Rural Development Workshop on “smart practices for sustainable livelihood through skill development among rural people” was held from 10/01/2019 to 11/01/2019 in VIPER. Participants are rural people from Narsapur village and meeting was conducted at RDO office, Narsapur to create the awareness about the workshop. Participants were restricted to number 60 to give hands on training. Faculty from Sri Venkateshwara College of pharmacy and BVRITN participated in the workshop.

The workshop was organized in association with Indian Pharmaceutical Association (IPA) & NAVYA under the support of MHRD’s Institutional Innovation cell (IIC) & Rural women Technology park, BVRITN. Dr. A Ramesh, Principal acted as organizing secretary for the workshop and the programme was led by Dr. K. Vanitha, HOD & Professor, Department of Pharmaceutics, VIPER with her team

**Day-1:** The Workshop was inaugurated by Sri Ravichandran Rajagopal, Vice Chairman, SVES, followed by hands on training on different modules by Ms. Khyati Singh, Project Manager, Rajasthan Grameena Ajeevika Parishad, Rajasthan and Mr.Samrat Dubey, Young professional rural development Department, Bihar and a visit to total women Technology park, BVRITN.

**Day-2:** Participants were taken to Moringa farms at Gurrampode village, Nalgonda District to have practical exposure on Cultivation of Moringa. Mr. Damayan Reddy, MD, Moringa cafe had explained the cultivation techniques to enhance the yield.

**Valedictory:**

Addressed by Mr. Damayan Reddy, MD, Mornings cafe

**Outcome of the Workshop:**

1. Incense sticks from floral waste
2. Soaps from floral waste
3. Edible spoons
4. Moringa and Antidiabetic Infusion bags
5. Learned techniques in Moringa cultivation
6. Awareness about Spirulina cultivation

National level Faculty Development Workshop on  
Applications of cell culture Techniques in anti cancer drug discovery from 13<sup>th</sup> to  
15<sup>th</sup> December 2018

National level faculty Development Workshop on “Applications of cell culture Techniques in anti-cancer drug discovery” was conducted from 13<sup>th</sup> to 15<sup>th</sup> December 2018 by CMCR, VIPER, Narsapur. Participants from various pharmacy colleges in Telangana and Andhra Pradesh have attended the workshop and were restricted to 16. Dr. A. Ramesh, Principal acted as organizing secretary for the workshop and the programme was led by Dr. D. Appaji, Welcome trust/DBT Young Scientist, VIPER with his team. The workshop was inaugurated by the chief guest Dr. Prabha Shankar, IPA Telangana division president and Guest of honor AV Krishnam Raju, Project Manager, Laila nutraceuticals, Vijayawada, Andhra Pradesh. In this three-day workshop, participants were given hands on training in culturing cancer cell-lines *in vitro* including growth media preparation, cell counting and passaging, freezing and thawing of cells. Participants also performed cell viability assays by treating cells with different cytotoxic drugs. Cell viability was checked through plate reader based assays such as MTT assay, LDH release and crystal violet assays.

The valedictory was conducted on 15<sup>th</sup> December 2018, Dr. Kavita waghrey, Dean OU, and Dr. Kumar Nemmani, Director SVES have attended the workshop as chief guest and Guest of honor respectively. The organizer Dr.D.Appaji, thanked the management of VIPER for giving the support and encouraging the team to organize the workshop. Feedback was taken from the participants.

**National Conference on  
Aushadh 2k18: Global Scenario of Pharmaceutical Intelligence and Negligence on 17<sup>th</sup>  
February 2018**

Aushadh 2K18, an annual conference hosted by VIPER, Narsapur was held on 17<sup>th</sup> February, 2018 at VIPER campus, Narsapur, Medak District. Over all 150 student participants and 50 faculty and principals from various reputed pharmacy colleges surrounding Narsapur, Medak and Hyderabad attended this conference.

Dr. A. Ramesh, Principal, VIPER delivered a welcome speech enlightened about the conference and importance attached to the conference.

The conference was initiated with the Honorable presence of the Dr. T.V.Narayana, Chairman, Indian Pharmaceutical Association, Mumbai as chief guest, explained about the role of pharmacy and pharmacist in community. Sri R. Ravichandran, Vice chairman, SVES and Dr. D. Basava Raju, Director, Pharmacy Colleges, SVES, briefed about the conference and importance of pharmacy profession in academia and industry.

Next to the inauguration, panel discussion was organized with the eminent speakers, Dr. Sushrutha Koppula, Associate Professor, College of Biomedical & Health Sciences, Konkuk University, Korea; Dr. Jaganatha, Associate director of PK Sciences, Novartis Health care Private limited and Mr. Manas Mishra, founder of JAMP from academia and industry on the theme of the conference.

In the afternoon session, poster and oral presentations were organized. Total of 55 poster presentations and 15 oral presentations from various departments of pharmacy were presented by participants. The poster and orals were evaluated by eminent personalities from academia and industry. Dr. Spandana, College of Biomedical & Health Sciences, Konkuk University, Korea, Mrs. Annapurna, Research analyst, Mylan Laboratories; Mr. S. Anil Kumar, Associate Professor, Shri Vishnu College of Pharmacy; Dr. Venu Gopal, Research analyst, Mylan Laboratories; Dr. B. Suresh Babu, Assoc. Professor, Deccan College of Pharmacy, Hyderabad; Dr. Appaji, Associate Professor, VIPER spent their valuable time in selecting best poster and oral awards.

During Valedictory function, Sri KMP Patnaik, Granules Private Limited, Gagillapur, was the chief guest. He has spoken on the importance of pharmacy field in industry and various opportunities available for the students in industries. He congratulated the winners

and distributed cash prize and certificates to the winners. Mementoes and certificates were given to all the evaluators. The students who secured GPAT ranks (Mr. Suresh Kumar and Ms. Habeeba) were appreciated with mementoes and certificates.

Prizes:

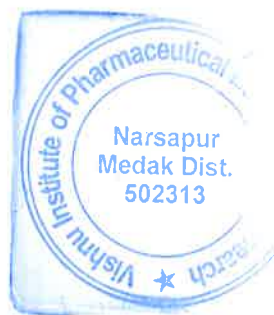

Oral Presentation: 1<sup>st</sup> Prize: Sunitha, Gokaraju Rangaraju College of Pharmacy

2<sup>nd</sup> Prize: Anusha, St.Paul's College of Pharmacy

Poster Presentations: 1<sup>st</sup> Prize: Uma Maheswari, Malla reddy College of Pharmacy

2<sup>nd</sup> Prize: Madhu, SDR college of Pharmacy

The conference featured highly interactive events, including diversified plenary lectures, poster sessions, oral sessions and conference awards. With the support and guidance of all the Members and astonish presentations of all participants along with Researchers, Students and leaders from various fields of Pharmacy made this event a grand success.
