Dear Officer,

Please allow us to address a few COVID-19 related concerns for admitted UMBC students.

Spring 2022 Course Delivery Method

UMBC is operating with a combination of online, hybrid and face-to-face modes of instruction as defined by the Student and Exchange Visitor Program (SEVP) Broadcast Message: "Coronavirus Disease 2019 (COVID-19) and Potential Procedural Adaptations for F and M nonimmigrant students" issued on March 9, 2020, and SEVP's subsequent "Clarifying Questions for Fall 2020 Based On March 9 Spring Guidance Broadcast" on July 24, 2020. The U.S. Department of State's Bureau of Consular Affairs clarified in their July 24, 2020 update and FAQ entitled "SEVP Online Course Guidance for F and M Students for Fall 2020" that students who satisfy SEVP requirements may be eligible for a visa.

UMBC is committed to ensuring that all new international students meet these requirements and participate in non-online course options. Thus, admitted UMBC students are eligible to apply for a student visa and should be granted admission to the United States as an F-1 student. Thank you for assisting the student in this process.

Electronically Issued I-20

Please accept the electronically signed I-20 carried by this student. This I-20 has been issued in accordance with the SEVP COVID-19 guidance, which also assures cooperation from DOS and CBP.

The SEVP's COVID-19 FAQ can be found here:

<https://www.ice.gov/doclib/coronavirus/covid19faq.pdf>

From the May 12 2020 update, the following language is relevant to this situation:

Electronic Form I-20 Issuance (page 6):

1. Can DSOs electronically send signed Forms I-20 to students instead of physically mailing the forms?

A. Yes, due to COVID-19, DSOs may electronically send Forms I-20 to student email addresses listed in SEVIS.

2. What methods can DSOs use to sign and send Forms I-20?

A. SEVP has identified the following methods to sign and send the Form I-20:

- Email a scanned version of the physically signed Form I-20;
- Email a digitally signed Form I-20 using electronic signature software; or
- Email a digitally signed Form I-20 that contains a digitally reproduced copy of a physical signature.

5. Has SEVP worked with both the U.S. Department of State and U.S. Customs and Border Protection (CBP) in developing the policy to accept the use of electronic signatures during the COVID-19 emergency?

A. SEVP coordinated with both the Department of State and CBP regarding the policy to allow electronic issuance and signing of Forms I-20 for the duration of the COVID19 emergency. Both agencies are in support of this action. SEVP continues to respond to any issues raised or questions from both agencies about this policy and will provide clarity as needed.

Thank you in advance for honoring this guidance and accepting this student's electronically issued and signed I-20. We appreciate your understanding in this unusual time.

Dear Officer,

Please allow us to address a few COVID-19 related concerns for admitted UMBC students.

Fall 2022 Course Delivery Method

UMBC is operating with a combination of online, hybrid and face-to-face modes of instruction as defined by the Student and Exchange Visitor Program (SEVP) Broadcast Message: "Coronavirus Disease 2019 (COVID-19) and Potential Procedural Adaptations for F and M nonimmigrant students" issued on March 9, 2020, and SEVP's subsequent "Clarifying Questions for Fall 2020 Based On March 9 Spring Guidance Broadcast" on July 24, 2020. The U.S. Department of State's Bureau of Consular Affairs clarified in their July 24, 2020 update and FAQ entitled "SEVP Online Course Guidance for F and M Students for Fall 2020" that students who satisfy SEVP requirements may be eligible for a visa.

UMBC is committed to ensuring that all new international students meet these requirements and participate in non-online course options. Thus, admitted UMBC students are eligible to apply for a student visa and should be granted admission to the United States as an F-1 student. Thank you for assisting the student in this process.

Electronically Issued I-20

Please accept the electronically signed I-20 carried by this student. This I-20 has been issued in accordance with the SEVP COVID-19 guidance, which also assures cooperation from DOS and CBP.

The SEVP's COVID-19 FAQ can be found here:

<https://www.ice.gov/doclib/coronavirus/covid19faq.pdf>

From the May 12 2020 update, the following language is relevant to this situation:

Electronic Form I-20 Issuance (page 6):

1. Can DSOs electronically send signed Forms I-20 to students instead of physically mailing the forms?

A. Yes, due to COVID-19, DSOs may electronically send Forms I-20 to student email addresses listed in SEVIS.

2. What methods can DSOs use to sign and send Forms I-20?

A. SEVP has identified the following methods to sign and send the Form I-20:

- Email a scanned version of the physically signed Form I-20;
- Email a digitally signed Form I-20 using electronic signature software; or
- Email a digitally signed Form I-20 that contains a digitally reproduced copy of a physical signature.

5. Has SEVP worked with both the U.S. Department of State and U.S. Customs and Border Protection (CBP) in developing the policy to accept the use of electronic signatures during the COVID-19 emergency?

A. SEVP coordinated with both the Department of State and CBP regarding the policy to allow electronic issuance and signing of Forms I-20 for the duration of the COVID19 emergency. Both agencies are in support of this action. SEVP continues to respond to any issues raised or questions from both agencies about this policy and will provide clarity as needed.

Thank you in advance for honoring this guidance and accepting this student's electronically issued and signed I-20. We appreciate your understanding in this unusual time.

Dear Sindhu:

It is my pleasure to inform you that you have been accepted into Northeastern University's College of Professional Studies Master of Science in Regulatory Affairs program for the Winter 2022 term at the Boston campus with a January start date.

Our regionally accredited programs provide an educational experience that is founded on proven scholarship strengthened through practical application and sustained by academic excellence. Here at the College of Professional Studies, we are committed to providing you with a high level of academic excellence and superior service.

Your acceptance to the College of Professional Studies is granted under the following condition(s):

You must submit final official transcripts showing degree conferral and date.

Additionally, your offer of admission is contingent upon your satisfaction of all local, state, and federal laws.

Upon successfully meeting the condition of your acceptance, you will be formally accepted into the program and admitted to the University. If the condition is not met, your conditional admittance will be rescinded and you will not be able to continue to register for classes. Should any changes to your condition of acceptance and/or program requirements occur, you will be notified of the changes and be held to any new standards put in place.

Now that you have been accepted, please confirm that you plan to attend by completing the enrollment confirmation form. This is also a great time to visit our website for accepted students which will help guide you through the enrollment confirmation process and important next steps such as activating your myNortheastern account, submitting official transcripts, and exploring program curriculum.

In addition, you can view our current course offerings online at <https://registrar.northeastern.edu/group/catalog/>. It is important to note that you are required to follow the program curriculum that is in effect during the Winter 2022 term. Please review the curricula at the beginning of your start term to be sure you have the most up to date information.

Registration will open six weeks prior to the start term. Once registration is open for the Winter 2022 term, you should create your myNortheastern account. myNortheastern is a portal where you will receive critical information from the University and College, access billing and course information, and several other student related items. Once you have created your account you can proceed to register for classes via the student portal.

All admitted students who will be studying with an F-1 visa would need a Form I-20. Please contact the office of Global Services to begin your I-20 process at <https://international.northeastern.edu/ogs/getting-started/>

On behalf of the faculty and administration at Northeastern University, I would like to congratulate you on your admission. I am sure you will find the College of Professional Studies an exciting and intellectually challenging place to further your education.

Sincerely,
